SPECIFICATIONS

Overview

"Andiamo" is arguably the nicest Hampton 620 built to date. She is hull #24 of the popular 580/620 Pilothouse Series and was custom spec'd and built for the current owner. Many custom features throughout the vessel set her apart from sister-ships. Why wait over 12 months to build a new boat when you can have a practically new boat today! Owners plans have changed making this the only late model Hampton 620 available on the West Coast.
