## Overview

---

**Owners want to encourage all offers Possible partial owner financing available (LOCATION: Titusville FL) This 1957 55' Chris-Craft Constellation is a long term reclamation by a couple who understand and appreciate the heritage they are sustaining.** *Tranquility* has gone through thirteen years of restoration and is nearly finished. Health issues force the sale to someone interested in completing the journey.

On deck we start with an open sundeck with room for entertaining. Helm is forward with hardtop, windshield, and side windows. Raymarine E series electronics include: two monitors, depth sounder, GPS, chart plotter, radar, engine room camera, capability for Sirius weather, and Icom VHF radio

The main salon has large windows and is designed to be a comfortable and relaxing living area once it is completed. There is a finished galley down with wood cabinets, Corian counter with integrated sink, Whirlpool refrigerator, built-in GE microwave oven, GE glass top two burner cook top, and GE self-cleaning oven.

There are three staterooms. The master aft cabin has twin berths, center dresser, two hanging lockers, overhead hatch, and private head. Forward v-berth and guest stateroom are unfinished. Guest / day head is finished.

This Chris-Craft is powered by twin Detroit Diesel engines with Allison transmissions. Engines and transmissions were rebuilt in 2012. Four Dometic reverse cycle HVAC units maintain interior comfort and a Kohler 13-kW generator provides offshore electrical power. This beautiful 55' motor yacht has been restored by a master cabinet maker. Call now and make an appointment to see for yourself what classic boating is all about.
