Hull Designer: Cobalt Boats Design Team

Engine Information

Engines: 1

Manufacturer: Volvo

Model: V-8 380

Engine Type: I/O

Fuel Type: Gas/Petrol

DETAILED INFORMATION

Manufacturer Provided Description

With its three feet of extra space, the A28 amplifies the A25's proven virtues, none more important than a ride now approaching perfection. But we begin with looks, the handsomeness of an inverse hull whose complexity only yacht makers have seen fit to attempt, the sweep of a profile that can come only from Cobalt hand-craftsmanship. The A28 interior will wow, as a soft aura of luxury surrounds you and your guests. The bow is broader in the beam, roomy and then some, with immediately reconfigurable seating. More practicality here too, in the added head compartment and yet more storage.

Engine Notes

Volvo Penta and Mercruiser options available.

Exclusions

Owner's personal belongings.
