DETAILED INFORMATION

Description

Florida-based Yellowfin, known for its high-end Center Consoles, builds this Ultimate Tender designed and inspired with the avid Yachtsman and Captain in mind. Based on Yellowfin's existing stepped 39-foot hull with exceptional interior space and ample seating for up to 12 guests. The Hypalon soft collar tube make this the perfect tender or runabout. The deep-V stepped hull provides a smooth, stable ride and a top speed of 52 knots with the triple 300HP 4-stroke Mercury Verados. Options on this vessel include a custom Simrad electronics package with bottom sounder, upgraded stereo system with sub-woofers/amps and additional speakers. A custom hardtop and custom oyster white gelcoat color. If you are looking for a turn-key oversized Tender, than this is the one! Other features include a fully enclosed head and shower in the center console area. Mercury vessel view system, Mercury K-planes and controls, boarding ladder, LED lights. Teak flooring throughout the cockpit. Stainless steel heavy duty towing bridle. Wide array of covers for all upholstery. Why wait over a year for a new boat? 100% turn-key and ready to go! Centre Console Custom Rib with T-Top Hardtop

Colour: Oyster White
