SPECIFICATIONS

Overview

This beautiful 4100's spacious layout plays to her size. She has two rows of seating aft of the center console with triple electrically actuated bolster seats at the helm and a fiberglass bench seat in the second row. The helm console is huge, and the in-console head compartment has a standup shower in addition to a marine head. She is a well-built boat with features and flair to make island hopping and offshore runs an experience to remember.

DETAILED INFORMATION

Accommodations

Ricochet has been meticulously captain maintained and no expense has been spared by her owner on maintenance since new. The engine oil and lower unit oil has been changed every 100 hours and the maintenance schedule by Yamaha has been adhered to. This is a no excuse sportfish in near new condition loaded with the best electronics and fishing equipment available. There are many equipment items on this boat not found on most other center consoles, Ricochet is completely loaded.

The 4100 Vector Sport Fish combines the ultimate in top-of-the-line fishing features and comfort amenities in a platform worthy of the most extreme conditions. With approximately 850 gallons of fuel, any action is within reach. A 60-gallon tournament live well and six massive fish boxes give you plenty of capacity. And numerous gunnel and top-mounted rod holders, combined with outriggers, let you present a massive spread. The 41 features the legendary Kevlar-reinforced, hand-laid fiberglass, all-composite hull, Integrated Structural Grid system a true "No Compromises" competitor.

This is a mighty fishing machine designed for serious anglers who want to go out in virtually any sea condition and bring home the big ones. With a 23-degree deadrise – just one degree less than deep-V race boats – Kevlar composite construction, and powered by triple Yamaha 350s, she is made for both speed and rough water. Full of clever fishing amenities, this monster has comfortable seating for 8 people at the helm and behind. For anglers thinking about moving up, or owners of large convertibles ready to down-size, the 4100 SF is a “must see” because no matter what you buy, this boat will be a benchmark.
