SPECIFICATIONS

Overview

Her (4) stateroom layout in addition has crew accommodations aft with (2) staterooms for two. Very generous interior volume similar to boats in the 100' range. This custom vessel has many options throughout the vessel that make her a complete and ready to go cruising motor yacht. Walk around teak decks offer easy access to crew and guests around the perimeter of the vessel. The expansive flybridge features a custom layout with the aft bulkhead moved forward approximately 5'. There is an enclosed air conditioned helm with single helm chair and curved L-Shaped settee portside with excellent visibility. Aft of the enclosed AC pilothouse is a large walk behind wet bar with sink, refrigerator, ice maker and (3) stools, large barbecue is also located on portside aft. There is a large built in sectional with teak table on starboard. A large aft deck with spacious seating and high gloss teak table lead into the grand salon. The interior features African pecan wood, carpet, and Majilite overhead panels with foam backing throughout. The salon is spacious and has an abundance of light, thanks to the oversized deckhouse windows. Lazzara signature country kitchen is attractive for owners and guests to enjoy great views while having meals in a spacious galley, large U-Shaped dinette perfect for entertaining. The forward accommodation set up has (2) staterooms with separate private heads. The stairwell midship leads down to the owner's suite as well as the VIP suite. The owners full beam suite has a spacious head, King size bed and beautiful stone shower. Large panoramic windows invite natural light into the owner's suite making for breath taking views while underway. The guest suite has its own dedicated private head and a queen size bed. The Crew's quarters are aft accessed from the transom and has (2) separate accommodations and a shared head. The engine room boasts (2) Caterpillar C30 motors and a set of Onan generators; all while maintaining good walk-around access to the components in the engine room.

New bottom paint, prop speed on running gear and new zincs 5/2017. Ex-Christine had a new complete Awlcraft paint job in 2013 as reported.

DETAILED INFORMATION

"Ex-Christine"

"Ex-Christine" is a beautiful 2006 Lazzara 84' flybridge motor yacht. Her (4) stateroom layout in addition has crew accommodations aft with (2) staterooms for two. Very generous interior volume similar to boats in the 100' range. This custom vessel has many options throughout the vessel that make her a complete and ready to go cruising motor yacht. Walk around teak decks offer easy access to crew and guests around the perimeter of the vessel. The expansive flybridge features a custom layout with the aft bulkhead moved forward. There is approximately 5' enclosed air conditioned helm with single helm chair and curved L-Shaped settee portside with excellent visibility aft of the enclosed AC pilothouse is a large walk behind wet bar with sink, refrigerator, ice maker and (3) stools, large barbecue is also located on portside aft. There is a large built in section with teak table on starboard. A large aft deck with spacious seating and high gloss teak table lead into the grand salon. The interior features African pecan wood, carpet, and Majilite overhead panels with foam backing throughout. The salon is spacious and has an abundance of light, thanks to the oversized deckhouse windows. Lazzara signature country kitchen is attractive for owners and guests to enjoy great views while having meals in a spacious galley, perfect for entertaining. The forward accommodation set up has (2) staterooms with separate private heads. The stairwell midship leads down to the owner's suite as well as the VIP suite. The owners full beam suite has a spacious head and beautiful stone shower. Large panoramic windows invite natural light into the owner's suite making for breath taking views while underway. The guest suite has its own dedicated private head and a queen size bed. The Crew's quarters are aft accessed from the transom and has (2) separate accommodations and a shared head. The engine room boasts (2) Caterpillar C30 motors and a set of Onan generators; all while maintaining good walk-around access to the components in the engine room. ***New bottom paint, prop speed on running gear and new zincs 5/2017. Ex-Christine had a new complete Awlcraft paint job in 2013.***

Main Salon

- Custom navy blue sofa with fabric
- Coffee table
- Wood storage cabinet
- Wood window mullions
- Wood valance
- Window treatments
- Navy carpet runner
- Stainless steel curved sliding glass door to aft deck
- (2) Chairs

- (1) White loveseat, 2016
- (1) Ottoman table with matching fabric to sofa
- Custom forward walk behind wet bar with refrigerator, icemaker and wine cooler
- Granite countertop for entire bar
- Glass drinkware and cocktail built-ins
- (4) Bar stools forward with bar
- Direct and indirect lighting
- Fujitsu TV, Sony VCR and Devon DVD in salon
- Devon AM/FM stereo receiver in salon and guest cabins
- (2) Lamps

Galley

- Stainless cabinet handles
- Granite countertops
- Stainless steel double sink with single faucet and sprayer
- Wood plank flooring
- (4) Burner KitchenAid electric built-in cooktop and oven
- Stainless steel GE microwave oven and convection oven
- KitchenAid stainless steel side-by-side refrigerator/freezer with water dispenser
- Frigidaire stainless steel dishwasher
- GE built-in convection oven
- (2) Sub Zero freezer/crisper drawers
- KitchenAid trash compactor
- Instant hot water dispenser
- Water filter
- Recessed halogen down lights
- Raised dinette with curved seating for (6)
- Granite table top
- Large storage locker accessed from top of dash
- (3) Forward windows (windshield)
- Stairwell down to forward staterooms
- AC duplex receptacles
- Stairs leading to flybridge
- Sharp Aquos color TV with remote
- (2) Stools for dinette
- Wood veneered cabinets and lockers

Master Stateroom

- Walk-around Lazzara-size king bed with storage, mattress and padded headboard
- Wood veneered night stands, port and starboard

- Desk with seating on vanity
- Walk-in closet
- Wood valance
- Fabric wall coverings, removable panels
- (2) Elliptical oversized port lights
- Port light window treatment
- Private access to head
- Direct and indirect lighting
- Receptacles: AC duplex
- Decorative sconces
- Telephone outlet
- Safe in closet
- Fujitsu color TV, Plasmavision
- Toshiba DVD player
- Hewlett Packard fax/printer

Master Head

- Marble vanity top, with (2) under mount sinks
- Wood cabinet with beveled mirror
- Marble flooring
- Wallpaper wall treatment
- Glass enclosed full sized tub with jacuzzi feature and shower
- (2) Full size marine toilets
- Towel bars, tissue holders, wall mounted soap dishes and tumbler holders
- Exhaust fan
- Recessed halogen down lights with switches
- (2) AC duplex receptacles with ground fault breakers
- Custom enlarged master head with separate glass shower, marble tub and His & Her sinks with storage below
- Large walk-in hanging locker, aft
- His/Her separated enclosed heads

Aft Port VIP Stateroom

- Queen size walk around berth with storage beneath and innerspring mattress
- Padded headboard
- Wood veneer corner storage cabinet
- Hanging locker, cedar lined with full length mirrored door
- (1) Elliptical port light

- Port light window treatment
- Private access to head
- Direct and indirect lighting
- Receptacle: AC duplex
- Color TV

Aft Port VIP Head

- Wood vanity with medicine cabinet and mirror
- Marble vanity top with under mount sink
- Marble flooring
- Wall paper treatment
- Shower stall with glass door, and hand held shower head
- Full size marine toilet
- Towel bars, tissue holder, wall mounted soap and tumbler holders
- Wood valance
- Exhaust fan
- Halogen down lighting with switches
- Receptacle: AC duplex with ground fault breaker

Forward Stateroom

- (2) Bunks (over/under) with storage below
- Wood veneered dresser with storage below
- Hanging locker, cedar lined with mirrored door
- Private access to head
- Direct and indirect lighting
- Wall mounted reading light
- Receptacle: AC duplex
- Telephone outlet
- Overhead access Bomar hatch to foredeck
- Sharp Aquos TV

Forward Head

- Wood vanity with mirrored medicine cabinet
- Marble vanity top with under mount sink
- Marble flooring
- Wallpaper wall treatment
- Shower stall with glass door and hand held shower head
- Full size marine toilet

- Towel bars, tissue holder
- Exhaust fan
- Halogen down lighting with switches
- Receptacle: AC duplex with ground fault breaker

Forward Port VIP

- Full size berth with storage below
- Wood vanity with mirrored medicine cabinet
- Wood veneered night stand with drawers and wood top
- Wood veneered storage cabinets with doors outboard
- Wood veneered open shelving, outboard
- Hanging locker cedar lined with mirrored door
- Private access to head
- Direct and indirect lighting
- Wall mounted reading light
- Receptacle
- Telephone outlet
- Opening ports
- Sharp Aquos color TV

Forward Port VIP Head

- Marble vanity top with under mount sink
- Marble flooring
- Wallpaper wall treatment
- Shower stall with glass door and hand held shower head
- Full size marine toilet
- Towel bars, tissue holder
- Exhaust fan
- Halogen down lighting with switches
- Receptacle: AC duplex with ground fault breaker

Crew/Aft

- (2) Staterooms with one common head for captain and crew
- Captain stateroom has full size berth with innerspring mattress
- Crew stateroom has single berth with innerspring mattress
- Wood veneered dresser with storage below (port stateroom only)

- Hanging locker
- Carpet flooring in hallway to engine room

- Windshield washer and wipers
- Teak deck throughout exterior on flybridge
- Ladder to hardtop
- Aft deck stairs on portside of flybridge
- Custom sliding window port and starboard behind wet bar and seating area
- (2) Aft stainless steel hoop rails
- Starboard flybridge oversized wet-cooler for can drinks

Flybridge Electronics

- Compass, Simrad AR78 repeater
- Autopilot, Simrad AP25 with AP27 repeater
- Radar, Garmin 8215 – 72 mile
- GPS, Garmin Northstar 6000i
- GPS, (2) Garmin 8215's and Garmin 741XS
- Chart plotter (in Garmin listed above)
- Chart plotter, VEI Monitor
- VHF, standard Horizon
- VHF, Icom Command Mic
- Hailer (in VHF radio)
- Fishfinder, Furuno FCV 582L
- Depthfinder, B&G HS2000
- Speed log (in GPS and B&G)
- ISIS monitoring system
- CCTV system
- SAT TV, KVH TracVision G6HD
- B&G HS200 Depthfinder
- Hewlett Packard Pavilion computer
- Nobeltec Admiral software

Construction

- GRP composite construction
- Hand laid, unidirectional fiberglass with vacuum bagged balsa-cored hull, deck and flybridge
- Solid fiberglass laminated keel, chine and all hull penetration areas
- Balsa-cored, CNC machined reinforced stringer system
- Balsa-cored, CNC machined bulkheads and soles
- Vinylester resin used throughout
- High performance UV resistant gelcoat

Air Conditioning System

- Cruisair conditioning system with reverse cycle throughout vessel
- Every room in vessel is equipped with its own thermostat for complete control
- Individual head exhaust fans

Bilge System

- Main bilge, manifold to (3) bilges
- (3) Bilge pumps, one per bilge compartment

Black Water System

- 200 US gallon black water storage tank
- Access to pump out
- Waste removal forward guest sole

Control & Instruments/Main Engines

- CAT electronic control and monitoring system with controls at enclosed flybridge helm and aft deck docking stations port and starboard
- Aquamet 3" 22HS propulsion shafting
- (5) Bladed, fixed pitch bronze upgraded to Veem propeller
- Dripless shaft seals
- Cutlass bearings
- Bronze strut system

Engine & Transmissions

- CAT C30 1550HP with water cooled turbochargers and chrome engine oil filter package (1125 hrs as of 5/2017)
- CAT electronic engine control and monitoring system
- ZF Model ZF2050A 2.467.1 ratio transmissions

Engine Room & Mechanical

- Mechanical engine monitoring gauges
- Bronze sea cocks with underwater bronze thru hulls
- Double thermal and acoustic insulation throughout
- White perforated aluminum hull side, bulkhead and FRP overhead panels
- Automatic ventilation system with variable speed forced intake and exhaust
- Fresh water outlet
- Generator exhaust upgrade
- 21.5Kw Onan generators with sound shields
- Dual Racor fuel filters for CAT(s) and single for generators
- Electric and fuel priming pumps for CAT(s)
- Electric synchronizer
- Side power bow thruster, (2) four blades 12" tube
- Trac American stabilizers with 22"x32", fins with wings
- Fireboy clean agent built in system
- Manual fire system release in crew companionway
- Brownies dive air compressor
- Air compressor
- Sea Recovery water maker 1400 GPD
- 38' Gallon hot water heater, Rheem
- Reverso fuel priming system
- Headhunter water pump 230V, 60 hZ
- Spare Headhunter water pump

Exhaust System, Main Engines

- Jacketed, stainless steel and FRP wet exhaust system with idle bypass
- Fire extinguishing system
- Automatic and manual fire system

Fuel System

- Single centerline fiberglass fuel tank with 2,000 US gallon capacity
- Manual and electronic tank level indicators with high-low alarm
- Fuel lines, aircraft type, solid and flexible tubing, stainless steel grade

- Racor fuel filters (main engines)
- Racor fuel filter generators
- Stainless steel fuel fill aft

Lube Oil System

- Lubricating oil change system with DC pump
- 30 US gallon fresh oil storage tank
- 30 US gallon used oil storage tank
- Quick connect drain fittings on engines and generators
- Located below crew sole aft for clean and dirty oil

Stabilizers

- ABT, TRAC System, (2) FRP stabilizer fins

Steering System

- Rudders, stainless steel spades 33"x17"
- Engine power assisted hydraulic steering system
- Stainless steel hydraulic lines
- Struts, bronze skegs
- Stuffing boxes, seal type

Thruster/Bow

- Side power electric bow thruster (25 hp)
- Dual joystick controls with alarm and indicator light and (3) stations - flybridge and (2) aft deck docking stations (port and starboard)
- Electrical Systems

Exterior Lighting

- (2) Aft facing spreader lights
- Overhead lights and accent arch lights
- Navigation lights
- Forward steaming light
- Port/Starboard side blue running lights
- Stern running lights

- Anchor light
- Exterior stairway lights
- Aft deck, transom and foredeck lights
- Boat deck lighting
- Emergency lighting at each stairway
- ACR searchlight on hardtop
- (2) Underwater lights

Generators

- (2) Onan 21.5kW diesel; single phase with sound enclosure and control panels (1950 hrs as of 3/2017)
- Engine fitted with alternator and muffler
- Generator fuel and water separator exhaust
- 1800 RPM
- Racor fuel filter for each generator

Grounding

- AC/DC Bonding and grounding system
- Bonded metal sea water pipe, valve, thru-hulls, strainers
- Sacrificial zincs: anodes on all running rig components

Interior Lighting

- AC lighting all interior areas
- Vimar switches and receptacles
- Public space lights with DC emergency circuits
- Fluorescent lighting, engine room

Switchboards, Load Banks & Control Panels

- AC/DC master control distribution panel located in engine room with (4) sub panels located within the yacht
- Wire and cables
- All cables marked with circuit number
- Wire chase runs throughout
- 110V outlets throughout the boat

- (1) 100 amp, 220 VAC shore cord starboard aft
- Automatic power cord reel with 75' of power cord
- Isolation transformer
- Lights, 24V DC and 240V AC

Main Deck Outfitting

- Dual Maxwell electric, vertical windlasses with chain stopper and wash down - Model 4000
- Dual anchor chute, stainless steel
- Hydraulic swim platform
- Bridge hydraulic davit for launching tender with hand held remote
- Dual Delta plow anchors

Canvas

- Aft deck sunshade for seating area
- Aft deck wet bar cover and TV cover
- Covers for flybridge bar, (3) stools, seating area and table top
- Flybridge bar and stools
- Aft deck table

Deck Hardware

- Windshield wiper system 24 VDC
- Bow, spring and stern cleats, 316L stainless steel
- Stainless 316L steel rails on main deck
- Hawse pipes with stainless steel guide posts
- Forward hatch to bow cabin
- Logo, stainless steel

Door, Hatches and Scuttles

- Weather tight engine room access door
- Emergency engine room access hatch
- Foredeck access hatch
- Curved stainless steel aft main salon sliding door to flybridge

Port Lights and Windows

- (2) Opening port lights forward
- Main deck windows are tinted glass, laminated and chemically strengthened
- Pantograph wipers with freshwater wash and intermittent speed

Storage Locker Foredeck

- Locker lid with sunpad cushions
- (7) Marquipt step boarding ladder

Aft Deck

- Port and starboard docking station, including:
 - Control for thruster system
 - Electronic controls
- Table with wood top
- Access to sport transom deck with handrail
- Overhead built in lighting and speakers
- Access to walk around decks leading forward
- Teak decking systems teak aft deck and stair treads
- Access to engine room emergency escape hatch
- 120 VAC duplex receptacle with ground fault breaker
- Stairway to flybridge
- Custom LCD TV over aft deck wet bar in cabinet
- Port and starboard boarding doors
- U-line wet bar with sink and refrigerator
- Stainless steel glass door to salon
- Built in bench seat with teak table
- (3) Teak chairs for aft deck table

Aft Sport Deck

- Dockside water connection
- Custom hydraulic swim platform with teak overlay
- Freshwater hot and cold shower
- Access to captain and crew's quarters
- Access to shore power inlet
- (2) Transom underwater lights

Flybridge Arch

- Custom fiberglass instrument arch, including:
- Electronics
- Antennas
- Radar
- Lighting
- Horns
- Navigational lighting

Remarks

2006 84' Lazzara, "Ex-Christine", feature a custom enclosed flybridge where the aft bulkhead was moved in approximately 5' to create an oversized flybridge wet bar with (3) stools, built-in seating to starboard side and a lovely built in barbecue. All of which are under the flybridge hardtop. She is powered by (2) CAT C30 1550HP with low hours (1000 hrs), twin 21.5kW Onan, 1400 GPD Sea Recovery water maker, (1) compressor, ABT Trac stabilizers, and full complete electronics package. The interior features a satin African pecan wood throughout with cream, navy and beige accents with the interior colors. There are granite countertops throughout the interior featured in the salon, walk behind bar, galley and dinette area, master head, day head and guest heads. The interior layout features (4) staterooms forward and (2) crew stateroom aft. The custom oversized master head to portside features a His & Hers layout, jacuzzi tub, separate glass shower and walk in closet. This is the only 84' Lazzara to feature this custom layout. Christine can comfortably cruise 24 knots and top speed 29 knots. ***Ex-Christine had a new complete Awlcraft paint job in 2013 as reported.***
