# DETAILED INFORMATION

---

## Manufacturers Comment

---

The Sea Ray 510 Sundancer features a raised helm design that's seaworthy, superbly luxurious, and impeccably appointed. This boat remains prepared to provide the utmost comfort in a variety of aquatic environments and conditions.

## Accommodations

---

This vessel is so lightly used, she shows almost "As New". The interior features gloss cherry joinery and light beige Ultra Leather throughout as well as four zones of AC/heat. The forward owner's stateroom has a pedestal queen bed with drawer storage beneath. There are built-in bookcases, Bose stereo speakers, spot and indirect lighting, a separate sit-down, mirrored vanity, cedar lined hanging lockers and a spacious ensuite head with large separate shower.

The guest stateroom is aft and to starboard with its own large ensuite head, Pullman berths, numerous storage drawers and hanging locker, and its own AC controls.

The main salon is dominated by a luxurious 8' by 10' Ultra Leather sofa -- a portion of which electrically converts to a queen berth. A beautiful hi-lo dinette/coffee table is adjacent. Other features include overhead and indirect lighting, a skylight, entertainment center with TV/DVD/stereo combination and a Bose speaker system. Fully carpeted.

## Galley

---

The galley is port forward and opposite the salon seating area. It has a long, beautifully curved Corian countertop, granite flooring, and an ingenious (electrically operated) pull out circular bar. Two Ultra Leather bar stools and an unbelievable amount of storage space complete the picture.

Three burner stove top

Built in coffee maker

Microwave oven

Refrigerator / Freezer w icemaker

Water filtration system

Corian countertop

---

## Electronics & Navigation

---

Step up to the raised helm deck from the cockpit. The pilot chair is to starboard facing the engine instrument cluster, set in a wood dash. Euro-style companion seat to port of helm.

Master volt 24/50 battery charger

(6) 8D batteries

Spendite 2000 washer/dryer

Glendinning 50 amp dockside cable (retractable)

Central vacuum system

Vacu-flush toilets

---

## Deck & Hull

---

The 510's helm and cockpit seating area bring her luxury accommodations outside. This area is shaded in whole or part by a sculpted hardtop & radar arch combination. It is air conditioned, carpeted, and has it's own sound system.

The 510's signature wraparound helm sits behind an expanse of tinted, curved windscreen glass set in a chromed frame. Helm sightlines are excellent in all directions. A long bench seat is port of the helmsman's chair.

Guests sit immediately aft of the helm in a large circular seating area. The aft portion of this lounge area electronically converts to a large flat sun-pad at the flick of a nearby switch.

Enter from large swim step into the cockpit. The cockpit features comfortable U-shaped wrap-around seating with a forward facing aft seat that will convert electrically into a large sun-pad. Remote control for the entertainment system, port side wet bar with sink, cooler and icemaker. Enter the interior through the companionway on the port side.

Retractable sun pad in cockpit (electrically operated)

Fender storage in transom

Wet bar

Gas Shock assisted engine room hatch

Stainless steel engine room ladder

Icemaker

---

## Engine Room & Mechanical
