SPECIFICATIONS

Overview

"Dean's List" is a very clean and lightly used example of the popular Meridian 391 Sedan. With only 80 hours on her upgraded twin Cummins QSB 425hp engines, she represents a great buy in today's limited brokerage market. "Dean's List" is loaded with factory options and upgrades, and has been kept in the Northeast (out of the water and covered during winters) until recently making the trip to VA to be sold. Some of her highlights include: Upgraded Cummins 425hp power package, full Raymarine electronics package (see "full specs" for complete list), Vetus bow and stern thrusters, low-hour Onan generator, beautiful dark cherry wood interior, central vacuum system, custom Meridian linen package, flybridge refrigerator, underwater lights, full flybridge enclosure package, cockpit and flybridge carpeting, interior carpet runners, windshield cover, foredeck sun pads, entertainment centers in both staterooms and main salon, and much, much more... The boat has hardly been used, and it shows once aboard. She is a "must see" for anyone in the more modern motoryacht market. Very well kept- practically new!!

"Dean's List" is very easy to see at Bluewater Yachting Center in historic Hampton, VA.

PRELIMINARY LISTING- more details and photos to come....

Basic Information

Category: Cruiser

Model Year: 2014

Year Built: 2014

Country: United States

Total Heads: 1

Hull and Deck Information

Hull Material: Fiberglass

Engine Information

Engines: 2

Manufacturer: Cummins

Model: QSB

Engine Type: Inboard

Fuel Type: Diesel

DETAILED INFORMATION

Vessel Walkthrough

"The Dean's List" offers a very roomy interior, especially for a 40' yacht. Entering the salon through the aft sliding door, there is a comfortable settee to starboard (with a hide-a-bed beneath) and a beautiful high-low coffee table. Forward to starboard is a raised curved settee and dinette table that drops to create another comfortable berth. Aft to port is the electric panel and entertainment center. Center to port are two matching chairs with storage beneath that are separated by a cherry-wood cocktail table with storage beneath. The entire cockpit sole is covered with plush carpeting and a carpet runner.

Moving forward and down two steps is the functional galley to port. The galley features a beautiful hardwood sole, Nova Kool refrigerator and freezer, Karadon solid surface countertop, two-burner Kenyon stove with cover, Cuisinart convection microwave, stainless sink with cover, and beautiful cherry wood cabinetry and storage drawers.

Forward down the companionway are the two roomy staterooms and split head (port side) and shower (starboard side). The guest stateroom is aft and down to starboard. This stateroom features a centerline queen berth, Toshiba 19" flat-screen TV, large hanging locker, and plenty of drawer storage. The master stateroom is forward and also features a raised centerline queen berth, Toshiba 19" flat-screen TV, overhead hatch, and private entrances to both the head and separate shower stall.

The cockpit, which is almost entirely shaded by the flybridge overhang, features outdoor carpeting (currently stored), a comfortable bench-style seat at the transom (with storage beneath), a large storage locker to port, transom door to the swim platform, and molded steps that lead to the flybridge. These molded steps are hinged, and raise with assistance of rams giving easy access to the engine room and lazarette.

The flybridge is quite large for a 40' yacht, and extends well over the cockpit providing shade to guests below. The layout is excellent, with a large "L-shaped" lounge and cocktail table aft, centrally located wet bar and Dometic refrigerator, and bench-style passenger seat to port. There is plenty of seating for all guests, and the feel of the bridge is that of a much larger yacht. The helm is located starboard forward, and features an adjustable pedestal-style helm chair and excellent visibility.

Key Features:

- Two stateroom layout with island berths
- Relaxed, molded staircase to bridge
- Extended bridge with seating for eight
- Stand-up access to engine room
- Ultra-flow Comfort Air System

- Abundant flybridge and cockpit seating
- Concealed anchor locker
- Integrated Vessel Control (IVC)
- Underwater exhaust
- Raymarine electronics
- Built-in fender storage in cockpit
- Transom storage lockers with shower and dockside water inlet

Bridge

The flybridge is one of the many design highlights of this yacht. It is quite roomy with seating for 8 adults. Other features include:

- Built-in drink holders
- Bimini Top with full enclosure
- Fiberglass Radar Arch
- Flybridge carpeting (currently stored below)
- Indirect Courtesy Lighting
- L-shaped Lounge Seat aft, bench-style passenger seat to port, pedestal helm seat
- Venturi windshield
- Excellent visibility
- Easy access via molded steps

Bridge Helm

- Adjustable Captain's Chair
- Ritchie Compass
- Dash Panel
- DTS Electronic Engine Controls
- Raymarine premium electronics package: Includes two (2) Series E display screens (chartplotter/radar/etc), open array radar, Raymarine autopilot, and Raymarine digital depth.
- SmartCraft Instrumentation as well as conventional gauges

Cockpit

- 12V Courtesy Lighting
- Freshwater Washdown
- Hot & Cold Shower
- Lazarette Access Hatches
- Portside Storage

- Self-bailing Cockpit
- Cockpit engine room access
- Shore Water Connection
- Sliding Glass Door
- Molded staircase to bridge
- Transom Door to swim platform

Head

- 110V GFI Outlets (2)
- 12V Lighting
- Medicine Cabinet
- Separate Fiberglass Molded Stall
- VacuFlush Head System
- Vanity Cabinet

Hull & Deck

- "Shoe box" Hull & Deck Joint
- 10" Mooring Cleats (8)
- Bonded, Tinted Windows
- Color-Coded, Custom Harnessed Wiring
- Deck Rails
- Diamond Non-Skid
- Hand-Laid Fiberglass
- Overhead Hatch
- Marine Core Construction
- Meets or exceeds all applicable U.S. Coast Guard Safety Standards
- Modular Construction
- Molded Swim Platform
- NMMA-Certified
- Opening Salon Windows
- Portlights
- Quick Windlass
- Rub Rail
- Stainless-steel Anchor Roller Assembly & Concealed Anchor Line Locker
- Thermal & Acoustical Hull Insulation
- Through-hull Fittings
- Underwater Exhaust
- Vinylester Skin Coat

Mechanical

- High Engine Temperature & Low Engine Oil Pressure Audio Alarm
- Internal Sea Strainers
- Racors for both mains and genset
- Hydraulic steering
- Trim Tabs
- Fresh water and waste monitors
