SPECIFICATIONS

Overview

"Dippin Deeper" is not your "ordinary" Luhrs 40' Open. She has been modified, customized, and upgraded constantly by a very maintenance-conscious owner. He realizes that there are sister-ships on the market for considerably less, but none that are anywhere near as well-kept and outfitted as "Dippin Deeper". Thousands upon thousands of dollars have been spent over the years to get her in the condition that she is currently in. She lacks for nothing, and is ready to go. She is powered by a pair of spotless Cummins 8.3 L 480hp engines with 1900 original hours (all services are up-to-date) which push her at any easy 25 knots cruise burning only 40 gph. The owner installed a pair of Vetus Marine engine vents to the hull-sides after he realized that the original cockpit vents were allowing considerable amounts of salt-spray into the engine room. Not only has this been greatly reduced, but so has the noise level in the cockpit and helm deck while underway, as well as the ambient air temperature in the engine room by 15-20 degrees. Huge improvement! Custom tackle storage now fills the spaces where the original vents were located. Very nicely done! Another huge custom improvement was the modification of the engine exhaust system. Before, the engine and exhaust noises were rather unpleasant to bear for the run offshore, but now captain and crew can speak at normal levels. One-of-a-kind! Some other notable upgrades include two vertical hand-rails located at either side of helm station (not offered by Luhrs- but CRUCIAL for safety), new blue LED hardtop, cockpit, and engine room lights, 8kw Koehler genset that was removed and completely refurbished in 2015 (see photos), custom hood built over the top of the genset to prevent corrosion, custom "Mike's Marine" canvas package for helm console, fighting chair, and tower, and so much more! "Dippin Deeper" is by far the cleanest well maintained 40 open on the market. Her wide beam, efficient cruise and agility along with a centerline helm make handling this boat a dream. Please see "full specs" and photos for a better idea of her condition, The boat is located at the Virginia Beach Fishing Center in Rudee Inlet, and is available anytime for a showing by appointment.

Basic Information

Category: Sport Fisherman

Model Year: 2003

Year Built: 2003

Country: United States

Dimensions

LOA: 40' 0" (12.19m)

Beam: 14' 11" (4.55m)

Max Draft: 3' 7" (1.09m)

Speed, Capacities and Weight

Cruise Speed: 25 Kts. (29 MPH)

Max Speed: 30 Kts. (35 MPH)

Displacement: 30000 Pounds

Total Cabins: 1

Total Berths: 3

Total Heads: 1

Hull and Deck Information

Hull Material: Fiberglass

Engine Information

Engines: 2

Manufacturer: Cummins

Model: 8.3L

Engine Type: Inboard

Fuel Type: Diesel

DETAILED INFORMATION

Interior Accommodations

The Luhrs 40' provides an incredible layout for both fishing and cruising. Though her exterior is all about chasing down that trophy catch, the interior layout will appeal to those who are seeking a comfortable "home away from home" on the water. "Dippin Deeper" is especially clean in both areas, and shows like a much newer model. Her cabin interior and cherry woodwork are nearly perfect, and she smells very fresh once you enter the living space. To port is the functional galley with beautiful raised teak and cherry hardwood flooring. Forward to port is a "love-seat" style settee and the entertainment center above. Across to starboard in aft is the huge fiberglass head (easy maintenance!) with vacuflush head system, vanity with sink and storage, and full shower curtain. Forward to starboard is a larger settee with storage beneath, and a "pullman-style" berth above that which serves well as a place to store rods, tackle, or other gear when not being used as a berth. Forward in the bow is the private master stateroom. This space offers a raised centerline queen berth, curved settee to port, overhead hatch, and drawer and hanging locker storage. The interior feels very spacious due to her massive beam, and everything is just SO CLEAN! You would think the boat has never been fished!

INTERIOR HIGHLIGHTS:

- Two (2) Marine Air reverse-cycle heat and air conditioning systems
- Beautiful Cherry-wood finish
- Plush carpeting
- Flat-screen TV with HD marine antenna
- Ghost Active Security System- system monitors intrusion, high water alarm, smoke alarm, and AC/DC power systems and alerts you via text when there is an issue
- Well-equipped galley with 6 overhead cabinets, 6 drawers, side-by-side refrigerator/freezer, double stainless sinks, new glass cooktop, Microwave, built-in coffee maker, solid-surface countertops, raised hardwood floor
