ХАРАКТЕРИСТИКИ

Обзор

Simply put, this is positively the nicest Silverton 34' Aft Cabin Motor Yacht available on the market. The owner has spared no expense in her maintenance, and her list of upgrades is extensive. Over the past few years, the boat has been completely re-modeled with new decor including new flybridge and aft deck enclosure, roll-up shading system on aft deck, "bikini" shade over foredeck. new upholstery on flybridge seating, new carpeting throughout, new salon sofa, designer valances and soft goods, new refrigerator/freezer, new bedding, new synthetic wood flooring (galley, dinette, and master head), remodeled galley and heads, and so much more (see "full specs" for complete list). Must be seen to fully understand the scope of what has been done to make this boat really stand out among her sisterships. With two staterooms and two heads (both with stall showers), this boat has as much living space as most 40' yachts. Very well done indeed!

ПОДРОБНОЕ ОПИСАНИЕ

Accommodations

Silverton Motor Yachts has been building quality motor yachts in the USA for over 40 years! This Aft Cabin Motor Yacht features a wide beam and exceptional use of space. There are 2 sizable berths each with their own head and shower and a full beam salon located mid ship. The refurbished galley is forward and down on the starboard side complete with ample counter space, new back-splashes, and new refrigerator/freezer. The large windows above the galley and dinette offer a deluge of natural light and great views. A breakfast bar is accessible from the salon with seating for two. The dinette provides comfortable seating for four and is located across from the galley on the port side. This layout separates the master berth from the guest berth and offers more privacy and comfortable sleeping arrangements. The spacious Salon, Large Aft Deck and Fly-bridge offer ample room for entertaining both indoor and outdoors. The aft deck and fly-bridge are fully enclosed with new enclosure allowing full use of every square inch of space 365 days a year! This would make an excellent condo on the water or a recreational retreat your whole family will enjoy! Perfect boat for someone looking to move out of an express-style boat as well.
