## Overview

---

M/Y SERQUE is a One of A Kind, Custom Built, Motor Yacht. Each and every element and system of this Yacht has been designed and hand crafted by highly skilled craftsmen. The interior of the Yacht was built by the world renowned Genesis Yacht Line of Viareggio, Italy. Her systems are State of the Art, Brand New Intellian 1 Meter VSAT dome and 1 Meter HD Satellite television dome, a Kaleidoscope Movie and Music Server and Crestron Media and Vessel Control throughout the entire Yacht. The Vessel has been upgraded with the newest Furuno Radars and Time Zero Chart Plotters, as well as the Palladium Yacht Monitoring System. All of the fabrics and softwoods are new, as are all galley appliances. SERQUE was built by and continues to be owned by a very demanding "No Expense Spared" Owner, under the guidance of the naval architecture of Donald L. Blount and the interior design of Pavlik Yacht Design. SERQUE has been continuously upgraded and refitted on a running basis since its launch in January 2009. The Vessel's Maintenance and Charter Authorization from the Marshall Islands is continuously supervised by Murray and Associates, of Fort Lauderdale, and the Alpha Zulu Marine Electrical Co, who installed all of the Electrical components and wiring on the Yacht.

## Accommodations

---

SERQUE represents the very finest in luxury custom yachting. This 133' motor yacht with a Raised Pilothouse was delivered in 2009 by Splendor Custom Motor Yachts of Fort Lauderdale. SERQUE has a 23.0' (7.01m) beam and a 2,800 Nautical Mile Cruising Range. The Yacht was built by an experienced Yacht Owner on a "No Expense Spared" basis. SERQUE's grand exterior was designed by Donald L. Blount and the interior design by Pavlik Yacht Design are complemented by Sapele Mahogany wood work handcrafted in Viareggio, Italy by Genesis Yachtline Marine Interiors. Her superior Sapele Mahogany Wood Inlays, lush fabrics and advanced technology create a Five-Star experience on the Seas. SERQUE's unique design incorporates spacious walkways, 30" wide Handmade Doors throughout, skillful-minimalist craftsmanship, with inconspicuously positioned electrical outlets, new Galley Appliances, a Panasonic Digital Phone System, and IPAD AV controls which are hidden from plain sight in custom built drawers throughout the yacht. Six luxurious Staterooms custom built with Sapele Mahogany wood comfortably accommodates Twelve guests. Each Stateroom is named after the Bahamian Island; the Pavlik Yacht designed interiors feature Botticino stone with Mosaic borders, Italian High Gloss furniture and luxurious Silk and Chenille fabrics. Each room is equipped with individual Climate Controls, Flat screen TVs and access to the Kaleidescape Movie and Music Server Network containing 2,500 movies and 5,000 songs, which are controlled via IPD controls. Every Guest can create their own playlist with iPod docking stations in every stateroom. The Views from the wide open and spacious Flybridge Deck are amazing. The Flybridge contains an 8 person Hot Springs Hot Tub and a Viking Barbeque Grill which provides the very best in barbeque at Sea. Guests can enjoy water sports from the 18' Novurania Yacht tender and two custom Yamaha wave runners. The Yacht carries an array of Inflatable Water Toys and 3 Inflatable Paddle Boards. SERQUE is compliant with the intact stability standards of the International Maritime Organization (IMO). There are three Watertight Doors on the lower deck as well as a full Casualty Pump System and two Fire Fighting Stations. No expense was spared with regard to Fire, Smoke and Carbon Monoxide protection systems which are monitored in every area of the Yacht through the Simon Yacht Monitoring System and there are Fire Pull Stations located throughout the vessel.
