SPECIFICATIONS

Overview

The Sea Ray 45' Sundancer offers plenty of room inside as well as plenty of seating in the cockpit area. With the two cabins and two heads and the main salon this boat can sleep 5 to 6 people in air conditioned comfort. Her bold styling has held up well over the years and still looks like a much younger boat.

" Deck a Dance " has been well cared for over the years and the current owner has added many improvements such as Teak & Holly flooring in the cabin area, new refrigerator and freezer. The main salon A/C has been replaced as well as a newer Garmin plotter. She is also sporting fresh canvas and isinglass. The bottom was just painted in May 2016. This is a lot of boat for the money and should be seen to appreciate it. DYSID:2993788
