## Overview

---

Gorgeous and gracious above the waterline, the 70 Aleutian is a powerhouse below: standard twin 1,550 bhp engines will take you swiftly and smoothly to 27 knots and above. The 70 Aleutian rides comfortably atop all manner of seas, also offering fuel economy at semi-displacement speeds.

That stellar performance is matched by sumptuous luxury: large staterooms, exquisite expanses of teak, stunning hand-crafted furnishings, graceful passageways, and an uncompromising attention to detail. With her timeless lines and proud, nautical profile, this flagship of the fleet is a standout at any port of call.
