## Overview

---

ARE YOU READY TO LIVE YOUR DREAMS? THIS GREAT FAST TRAWLER IS READY TO TAKE YOU!! BEAUTIFUL CONDITION INSIDE AND OUT!!

NEW WESTERBEKE GENERATOR IN 2008

BIMINI OVER BEAUTIFUL AFT DECK

DINGHY AND DAVITS GREAT ELECTRONICS!! TREMENDOUS FUEL ECONOMY AT 8 KNOTS!! Boat Name Coffee Trader Dimensions LOA: 36 ft 0 in Beam: 12 ft 6 in Maximum Draft: 4 ft 3 in Displacement: 20000 lbs Engines Engine 1: Engine Brand: Caterpillar Engine Model: 3116TA Engine Type: Inboard Engine/Fuel Type: Diesel Location: Port Engine Hours: 3250 Drive Type: Direct Drive Engine Power: 300 HP Engine 2: Engine Brand: Caterpillar Engine Model: 3116TA Engine Type: Inboard Engine/Fuel Type: Diesel Location: Starboard Engine Hours: 3250 Drive Type: Direct Drive Engine Power: 300 HP Tanks Fresh Water Tanks: Aluminum (225 Gallons) Fuel Tanks: Aluminum (300 Gallons) Holding Tanks: Plastic (70 Gallons) Accommodations Number of double berths: 2 Number of cabins: 2 Number of heads: 2 Outside Equipment/Extras Electric windlass

## Accommodations

From the starboard pilothouse door the lower Helm is immediately to your right upon entering the cabin. The lower helm electronics mirror the upper helm electronics. There is a drop-down pilot seat to the left. The Salon is nicely arranged with ultra leather L-shaped convertible sofa to the port with large stowage area's underneath. There is a high low table and a settee along the starboard side. Port and starboard deckhouse windows provide splendid views and plenty of natural light to the Salon and Galley. There are beautiful window treatments here too! The Galley is situated along the starboard side aft of the salon. There is a stainless steel double-sided sink, 3-burner stove/oven and a microwave oven. There is a lot of stowage below and above the counter. The Isotherm refrigerator is situated across the companionway next to the port side entry. Located across the companionway to the port side entry door there is a built-in liquor cabinet adjacent to the sofa. The companionway stairs lead aft to the trunk cabin. This area features an island double bed, hanging locker, chest of draws (to starboard), 3 drawers and counter to port,. Deck access and a private head with stall shower and full length mirror are to starboard. The owner's accommodations also include a flat screen television, and several windows for natural light. From the Salon forward and down two steps are the Guest quarters. This area features a V-berth with

drawers under, a hanging locker to starboard, settee, several stowage compartments and private head. There is also an overhead hatch and 4 port-light windows for ventilation and natural light. "Coffee Trader" has received many interior upgrades including, headliner, Ultra leather sofa and settee and window treatments. The interior is new and very tastefully finished. The owners are very knowledgeable and keep this vessel in beautiful condition! She is cruise ready!

**Vessel Walk-Through Exterior** From the stern, there is a new Zodiac Dinghy that is davit mounted. The height allows for good swim platform access. The swim platform has a bracket mounted for the Armstrong dive ladder. The transom door is located to the starboard side. On deck access is good all the way around due to the pilothouse design and the stainless railings and lifelines are a nice safety feature. On the port and starboard sides of the aft cabin, there are molded stairs to the deck over the trunk cabin. This area has safety rails and offers decent deck space! The Command Bridge access is offset to the port of the bulkhead and up 3 steps from the trunk cabin deck. There is bridge seating along the port and starboard sides with large stowage lockers underneath. Between the seating there is a table with dropdown wings. The bridge deck helm is situated to the starboard side and there is a Captain's armchair and matching companions chair to the port side. The Helm boasts a full complement of top shelf electronics. There is new eisenglass and all new bridge upholstery. This is a great area to entertain from 5 to 7 guest. Great views! Starting at the main deck level once again, there are deep wide walks leading to the pilothouse doors at port and starboard. Access along the deckhouse is very comfortable and safe for handling lines and getting to the bow.

## Galley

The spotless galley is aft to starboard in the salon. I love the galley in boat! Plenty of room to prepare great meals or just quick snacks. While the chef is cooking they will enjoy the wonderful views of your destination through the almost 360 degrees of windows. The galley is positioned so the chef can be in contact with the captain at the lower helm and the guests in the saloon.
