Boat Review

Accommodations

The attention to detail is what sets the accommodations on this boat apart from the competition. From the moment you enter into the spacious cabin, you will be amazed at just how much quality, comfort, and convenience they have put into this 30-footer.

The first thing you will notice is the teak and holly cabin sole, lending a feel of luxury. The centerpiece is a glossy varnished table with a marlin etched into the surface. The galley is to starboard, and is equipped with a cooktop, a microwave, sink, and refrigerator. The head is to

port and is very large with convenient storage.

The table folds down and the entire forward half of the cabin converts to a very large double v-berth, for comfort.

This is an extremely well-thought-out boat, with something for everyone!

Engines

The engines are perhaps the best part of this boat!

She has two V6 Yamaha 250 HP outboards that are BRAND NEW! Less than 100 hours on them!

Fishing

This boat has sizeable outriggers and ample rod holders, as well as a large livewell and plenty of space in the cockpit for fighting that trophy marlin!

Broker's Notes

"Driftwoods" is truly a "something for everyone" kind of boat! She's a fishing machine, a comfortable cocktail cruiser, and will get you where you are going...fast! She won't last long! Come see her!
