## Overview

---

WOW!!! Island Girl - what a boat and example of a knowledgeable fisherman who built her as his ultimate downeast fishing machine. Rare as rare could be, please find "Island Girl" a fresh to market 35 Pettigrew Downeast walk around sport fisherman. She is a downeaster with a touch of Carolina flare specifically designed for fishing while exhibiting superb yacht quality finishing. Her striking Alwgrip paint job with white superstructure and off sea foam green hull makes her a real stand out. "Island Girl" was built for low maintenance as evident by her simple systems and maintenance free synthetic teak sole. She will cruise at 22 knots sipping fuel at 11gph. After her 2 plus year build and nearly 900K spent, change in owner's plans bring her to market. Don't wait, I can assure you will not find another!
