SPECIFICATIONS

Overview

The 3860 Regal may lack the cutting-edge sex appeal of a Pershing or Sea Ray, but she has a number of other attributes that make her a strong contender in the luxury cruiser market. Built on a modified-V hull with a solid fiberglass bottom, her two-stateroom interior differs from other mid-range express cruisers in that a second head compartment is tucked into the aft stateroom—a convenience seldom found in a boat this size. Both staterooms come with sliding privacy doors (rather than curtains), and a hardwood floor in the galley accents the high-gloss cherry joinery in the salon. In the cockpit, a semicircular settee offers plenty of guest seating. A wet bar is standard, and a walk-through windshield provides bow access. Note that the entire rear deck of the cockpit lifts hydraulically to permit walk-in access to the engine compartment from the swim platform. Additional features include a foredeck sun pad, an anchor washdown, and a power windshield vent. Standard 420hp V-drive gas engines cruise at 18 knots (30 knots WOT).

Basic Information

Category: Cruiser

Model Year: 2004

Year Built: 2004

Country: United States

Dimensions

LOA: 38' 0" (11.58m)

Beam: 13' 0" (3.96m)
