SPECIFICATIONS

Overview

This stunning single stateroom Viking 43 Convertible with the galley down, dinette layout has been constantly upgraded by her owners. The gelcoat gleams, the strataglass enclosure is crystal clear and the electronics were upgraded in 2013/2014. She is powered by Detroit 6-71TI diesels with less than 2500 hours and a rebuilt Onan genset. Inside she features day/night shades, new carpet (2014), new custom mattress (2014), new bedspread (2015) and all the hatches were removed and rebed in 2014. Click the full specs tab for all the details.

Engine Type: Inboard

Fuel Type: Diesel

DETAILED INFORMATION

Powerboat Guide Description

The Viking 43 Convertible earned a reputation over the years as a first-rate tournament fisherman and an excellent open water performer. She has more beam and fuel than the Viking 41 Convertible, the boat she replaced in the Viking fleet, and she offered a choice of a dinette or two-stateroom floorplan. Either way, the mid-level galley is wide open to the salon and the head compartment and master stateroom are both very spacious. The interior of the Viking 43 is comprised of rich teak cabinets and trim with quality appliances and rich designer fabrics—upscale accommodations indeed for a serious fishing boat. Topside, the flybridge is among the largest in her class and features an efficient wraparound helm console. The cockpit includes a transom door, molded tackle center, and an in-deck fish box. Among many engine options, early models with 485hp 6-71s cruise at 22–23 knots (26 knots top).

Electronics

- Depthsounder
- TV Set
- Radio
- Radar
- Plotter
- Compass
