Manufacturer: Mercruiser

Model: 8.1S HO

Engine Type: Inboard

Fuel Type: Gas/Petrol

DETAILED INFORMATION

Accommodations & Layout

A standout boat for Regal, the 3880 (later named the 4080) is a very functional and appealing sedan or flybridge motor yacht. A covered aft deck, molded stairway to the flybridge and both bridge and bow sun areas are just some of the exterior features her owners enjoy. Coupled with fold down cockpit seating the aft deck is very versatile making for easy access to the swim platform or in handling lines and at the same time flowing directly in (without steps) to the salon via sliding doors.

Once inside the open floor plan is filled with light from side and forward windows. A large settee/dinette is to port and two barrels chairs are to starboard. There is also an entertainment center aft and to starboard. The window valences in the salon and forward in the master stateroom have custom nautical themed paintings done by a local artist on the Eastern Shore. A galley is just forward of the salon and is nice and open allowing continued conversation with guests in the salon while preparing food and drinks. The overhead windshield provides plenty of light and rich cherry cabinetry is accented with neutral Corian counters. To port is a guest stateroom that features two twin beds that have a center filler that can easily convert this area to a queen. The master stateroom is forward and features an offset queen berth, abundant drawer and locker space as well as its own TV. The head is large featuring private entrance from both the companionway and the master stateroom as well as an oversized stall shower with built in seat.

- Reverse Cycle AC/Heat with Digital Controls and Thermostat
- Five Speaker Surround Sound System in Salon
- Toshiba Flat Screen LCD TV in Salon (new in 2014)
