SPECIFICATIONS

Overview

The largest Bahamas-friendly superyacht on the market. SKYFALL is 57.91m / 190' of sleek engineering teamed with timeless interior design and smart cruising features.

With a draft of only 8'6", a top speed of 21 knots and a maximum economical range of 4600nm, she combines true ocean going capability with the versatility of reaching those shallow secluded bays and marinas that are impossible for most yachts of this size.

Built in 2010 and extensively refitted in 2015, SKYFALL is in a class of her own with elegant interiors by award winning designer Patrick Knowles and flexible accommodation for up to 17 guests in 7 staterooms including the panoramic master suite complete with private office, full beam VIP suite and 5 guest staterooms.

On the main deck there is a spectacular wine cellar leading to the main salon and dining table and on the upper deck a panoramic sky lounge and airconditioned exterior deck. The sun deck completes the incredible layout with a vast expanse of deck including a bar, hot tub, pool and touch and go capable helipad.

SKYFALL's experienced owner has ensured that she is the optimum megayacht, with further features including; wheelchair access to all 3 decks via an elevator, upgraded zero-speed stabilizers, convertible gym and extended engine warranty.

This is the ultimate opportunity to own a stunning 57.9m/190' megayacht offered for sale at an aggressive price from an experienced and realistic owner.
