Total Heads: 1

Hull and Deck Information

Hull Material: Fiberglass

Engine Information

Engines: 2

Manufacturer: Yamaha

Model: 250 4-Stroke

Engine Type: Outboard

Fuel Type: Gas

DETAILED INFORMATION

Vessel Walkthrough

The Grady-White 282 Sailfish is an updated version of the company's popular 272 Sailfish, one of the best-selling offshore fishing boats ever produced. With her generous beam, rakish good looks, and impressive feature list, the 282 ranks among the best in her class for fishability and performance. Indeed, there's a lot to like about this boat. The cockpit layout is about as good as it gets in a 28-footer, and even novice boaters will quickly appreciate the extraordinary fit and finish of the 282 Sailfish. The cockpit was redesigned in 2005 to include an aft fishbox and a space-saving foldaway rear bench seat. Below, the cabin manages to provide all the necessary amenities without being cramped. An enclosed head with sink and shower is standard, and a quarter berth extends under the helm deck at the rear of the cabin. Additional features include a bow pulpit, cockpit bolsters, heavy duty transom door, and a superb helm layout. With over 200 gallons of fuel capacity, the 282 enjoys excellent range.
