## Overview

---

BELLA CHRISTY is a fast, seaworthy cruiser and the newest version of the Pacific Mariner 85'. Featuring a raised-panel cherry wood interior, full wet bar in salon, and L-shaped dinette forward of the galley. She accommodates 8 guests with a 4 stateroom layout, and a separate staircase to access the private master stateroom with spacious en suite master head. BELLA CHRISTY's features expand out to the large aft deck, spacious flybridge, and easy walk-around access. The entertaining area is complete with a settee, alfresco dining table, wet bar, full outdoor galley, and four-person Jacuzzi spa. BELLA CHRISTY provides owners with superb equipment, appliances, and electronics. She is in excellent condition and offers the MTU extended service protection through March of 2018. What is more, she is equipped with bow and stern thrusters plus Naiad at rest stabilizers. The 2010 85' Pacific Mariner BELLA CHRISTY is turnkey and has found great success in the marketplace with her accommodating arrangement and incredible built-in features.

## Walkthrough

---

"Bella Christy" features a four stateroom, plus aft crew arrangement with a separate master stateroom accessed from the main salon. The 85 Mariner's success in the marketplace is also attributed to a large aft deck and fly bridge, walk-around access, and incredible sea keeping ability. The salon features a comfortable L-shaped settee with occasional chair, home theater system and a large formal dining area forward. The pilothouse arrangement places both upper and lower helm stations on centerline for exceptional visibility. Port and starboard pilothouse doors ensure easy access to side decks. The galley and day head are located at pilothouse aft of the forward-facing dining settee. This dinette arrangement allows everyone to enjoy the cruise together. The full-beam private master cabin is accessed by a separate staircase from the main salon. Forward, there are two VIP cabins plus a twin bed cabin accessed from the pilothouse stairway. All of these cabins feature en-suite heads.
