Engine Information

Engines: 2

Manufacturer: Volvo

Model: TAMD75EDC

Engine Type: Inboard

Fuel Type: Diesel

DETAILED INFORMATION

Remarks

The Mersoleil has been professionally maintained since new. The 4370 could be one of the best layouts of any express cruiser in its class on the planet. The 4370 is a true two-stateroom yacht with each stateroom having its own private head. The master stateroom is aft and is full beam, featuring a queen size island berth and a split head design. The 4370 feels like a much larger vessel. Real cherry wood cabinetry and Cruisers craftsmanship gives it an edge above the other popular manufacturers. Topside she has a hardtop with opening skylights and a full camper enclosure. A huge cockpit layout provides seating for 12 adults and features a walk-through windshield for safe and easy access to the foredeck. Her Volvo diesels with electronic controls give outstanding and efficient performance. The galley has custom upgraded cabinets with wine storage and the master stateroom has custom drawers under salon stairwell.

Salon

- Large Couch / Dinette To Starboard
