SPECIFICATIONS

Overview

The Sabre 42 Salon Express is built to have less noise, better fuel efficiency and increased maneuverability.

The vessel is built with a modern planning V-Hull and a foam/plywood stringer system. It also comes equipped with many popular standard items such as a swim platform with under-mounted ladder, low profile opening hatches with shades and screens, L-shaped cockpit seating hinged for pod access as well as Stidd helm chairs in the salon/helm deck and countless others.

This vessel is also equipped with several factory options including a fiberglass cabinet in the starboard side of the cockpit which includes an electric grille and icemaker, a dinette in the second cabin that converts to a double berth and many more.
