Overview

SEA RAY 500 - FRESH WATER YACHT

This wonderful and meticulously maintained express cruiser is a fine example of a fully loaded, top of the line Sea Ray sport yacht. She can accommodate 4 guests in her two staterooms and additional (2) guests with a pull out sofa located in the salon. Admiring her from the distance you will be immediately drawn to her long sleek profile, her beautiful flag blue hull, an enormous swim platform and the oversized hardtop. This is an opportunity to purchase a yacht that has spent her entire life in fresh water!

The Sea Ray 500 offers plenty of room for family and friends on the oversize aft deck and helm area. The aft deck includes a molded fiberglass wrap around seat, a cozy love seat off to starboard and a large table for drinks. To port is a wet bar with refrigerator, ice maker, sink and flat screen satellite TV. One step forward from the aft deck going forward is the helm. This area is a captains dream, complete with cockpit air conditioning, captains chair with bolster and seating that converts into a chase lounge. The electronics package has it all; Raymarine E120 GPS, Radar with Raymarine ST8001 autopilot, Sea Ray navigator with Map Tech 300, Smart Craft monitoring system, Ray marine VHF, bow thruster, Clarion AM/FM/CD stereo, windlass remote, ACR spotlight and 12 volt adapter.

The bow area provides an oversized sun pad with drink holders, remote spotlight and foot pedal controls for the windlass and is accessed via walkways leading from the cockpit to both port and starboard.

Teak and holly steps lead you down to the warm and inviting Salon boasting 6'8" headroom. The sitting area includes a large ultra leather couch to starboard and an ultra leather love seat aft with a pull out sofa bed, complete with a cherry wood high-low table. To port is the built-in entertainment center with built in cabinets, complete with a 27" TV, satellite TV receiver, DVD player and AM/FM/CD player. An additional set of cherry wood cabinets are located just aft of the entertainment center to port and also houses the AC/DC breaker panels. Recessed behind cherry wood doors under the salon steps is an all-in-one washer/drier combo.

To starboard forward of the Salon is the beautiful and well appointed Galley, with cherry wood cabinets, Corian countertops with built in sink and stainless steel single level faucet, coffee maker, microwave/convection

oven, under counter side by side stainless steel refrigerator and freezer. Ample storage is located both above and below the counter.

The master stateroom is forward with an island pedestal queen bed providing storage on both sides. Port you will find a hanging closet with mirrored door and wall mounted 15" flat screen TV. There is an additional hanging locker to starboard. A private entrance leads to the master head where the owner can enjoy a soothing and relaxing shower in the large shower stall complete with built in seat and glass door. Adjacent to the shower sits a cherry wood vanity with stainless steel sink, faucet and towel hanger. Completing the amenities is a vacu-flush head.

The guest stateroom and head are located to port and has over/under bunk beds with a small built in TV in the lower bunk and a hanging locker. The guest head has a large stall shower, cherry wood vanity with stainless steel sink, faucet, handrail and vacu-flush head.

The 50 Sea Ray Sundancer, powered by twin Cummins 660HP QSM11-M diesel engines, will get you where you want to go with ease and style. Both engines have only 480 hours and the Onan 11KW generator has 1800 hours. The bow thruster makes it easy to maneuver at dockside!

This wonder Yacht is ready for a new owner....all reasonable offers will be considered!
