SPECIFICATIONS

Overview

The "Tuna Tower" fly bridge, outriggers, 18 pole holders, fighting chair and fish finding electronics delivers the ideal sports fisherman boat

The engines are the turbo charged, intercooled Johnson & Towers Detroit Diesel - a high-performance modification of the 6V92TI models with very low hours added since a complete overhaul in 2013. Getting you where you want to be quickly.

The Onan 9 kW generator with less than a 1,000 hr, provides the power needed to keep all comforted and electronic systems operating.

The interior offers a beautiful teak trimmed spacious salon with a galley that has ample storage.

If your desires are to fish and/or cruise in comforted and style this is a boat you must see.
