## Overview

---

The “Bushwacker” is the latest and best representation of the fantastic open series by Tiara. It takes the place of the incredible 42 Open retaining the best features of the former design and adding a new hull design and power package to enhance ride and performance. The Cummins/Zeus POD package delivers great speed, agility joystick docking ease and the added feature of O.P.S. enabling the boat to remain stationary for bottom fishing or waiting at a lock or fuel dock!! The “Bushwacker” is in great condition and has many notable options in addition to all of the standards: water maker, ice chipper, tournament fishing hardtop and state of the art electronics to name a few. This is a standout model of a great boat.
