## Overview

---

Performance at Sea is just one way to describe this well designed and well appointed 75' Viking Sport Cruiser "ARES". Given her moderate entry and her 19 degree transom dead rise proves that this vessel is designed for high speed offshore service and at a cruise speed of 30 knots, the vessel remains dry even in sloppy seas. "ARES" sports a pair of recently rebuilt 1,675 hp C-32 CAT engines, that pushes this vessel through the water with very little effort.

To completely understand the performance of the incredible vessel one just needs to take her for a sea trial, It takes very little effort to bring her up on a plane and it quickly takes you to a very nimble 30 knot cruise speed, meanwhile using less than 75% of the engines capacity.

You will be hard pressed to find another four stateroom two crew vessel with the performance that is offered in this beautifully appointed 75' powerhouse.

"Ares" has had only two owners in her lifetime both have professionally maintained, and constantly upgraded her with an open checkbook, it is truly worth taking a look at one of the finest 75' Sport cruisers on the market today.

Here are some of the features that makes this boat so special.

- Rebuilt main engines with 413 hours
- New updated after coolers on both engines
- Rebuilt generator with 856 hours
- New heat exchanger
- Added water maker in lazarette

- Trash compartment

## FLYBRIDGE AND BOAT DECK

To enter the flybridge it can be done two ways from the aft deck or from the inside of the salon. The large fully enclosed air conditioned and heated flybridge is one of the best places on the boat, the isinglass enclosure has been completely replaced and provides clear and un obstructed 360 degree visibility from your two black leather Stidd helm chairs. just behind the helm chairs under a hatch is a stainless steel sink with hot and cold water and a built in electric BBQ. There is a large u shaped settee with table facing forward and an L shaped settee to the port separated by a drink cooler. aft of the flybridge thru an isinglass sliding door gives you access to the sun pad, boat deck and the stairwell to the aft deck through a sliding hatch. the raised sun pad houses two spare propellers, and life jacket below. The original teak was completely removed replaced in 2013 by Delta marine with a 3/8" solid teak deck system. The tender all the way aft on the top deck is a 15' Novarania with a 50 hp Yamaha 4-stroke

- Air conditioning and heat
- Two Stidd helm chairs

- Drink cooler
- Stainless steel sink with hot and cold water
- Neff two burner electric BBQ
- Fire extinguisher
- 406 EPIRB
- Lifesling MOB retrieval
- Custom dimable multi colored overhead lighting
- Blue accent lighting
- Bose remote with two speakers
- Alarms, audible/visual

- Two 30" KVH satellite TV domes with auto switching
- FLIR night vision camera
- 15' Novarania tender with a 50hp Yamaha
- Marquipt power rotating davit
- Two DBC 6 man near coastal liferafts located on the top house
- Trac phone satellite dome

## AFT DECK SWIMSTEP

The Aft deck and swim step on "Ares" is very usable space with seating for 6 to 8 at the Murray brothers custom teak table, newly recovered built-in settee and 4 varnished teak chairs. dim-able overhead lighting and overhead speakers makes this a delightful place for outdoor dining and entertaining. on the starboard side of the aft deck is the stairwell leading up to the boatneck and outboard of that in the engine control station, on the side deck with the entrance into the Lazzaretto and aft of that is the controls for

the transom garage door and telescopic Passerelle, boarding the vessel can be done three separate ways, from a floating dock you can easily step across to the swim step, use the Marquipt boarding ladder mounted to the side deck, or on a stern tie you can use the passerelle. On either side of the settee the stairs leads you down to the large swim step, on the port side hidden behind a locker is a hot and cold swim shower.

on the starboard side houses the two glendinning shorepower cables and control for the transom lazarette door.

## EXTRAS AND UPGRADES
