Overview

NEW ARRIVAL ~ METICULOUS OWNER Currently located in Highland Beach, Florida

Welcome to one of the nicest and well maintained 60 foot motor yachts currently on the market today, The seller has truly maintained this boat with an open checkbook with the receipts to show it. The engines and PODS were serviced 3/16.

As you view the listing photos, you will notice the brilliant shine of the gel coat, the sparkle of the polished stainless, and the excellent condition of the soft goods. The interior invites you into a warm and cozy atmosphere with soft woods, light furnishings, and abundance of natural light shining through the large windows in the Salon.

The Galley is aft and to port allowing easy access and service to the dining area as well as the aft deck for alfresco dining via sliding glass door. The large cockpit has aft seating with a large table for outside entertaining. Stairs lead to an oversized well laid out bridge for a large group of friends and family or an intimate setting for two. There is L shape lounge aft with a large table, behind the helm is a wet bar with grill, to port is a large chase style lounge to relax the day away.

Forward of the helm is an oversized sun pad for you guests to relax and soak up the sun, which is a great feature to keep the captain or owner engaged with the guests or family. The helm is the centerpiece of the bridge, with a plethora of electronics to safely reach your destination.

There are three staterooms which will accommodate the owner and four guests, three heads, with crew quarters aft providing two bunks and a head.

The engine room is accessed via a hatch in the cockpit, the pictures show it is one of the cleanest engine rooms I have seen, lending credence to the owners dedication and commitment to the care of this yacht.
