Overview

MUSE

Cerri Cantieri Navali / 31,10 m / 2012

MUSE is the hull number #1002 of the successful CERRI 102' Flyingsport line. This model is built by the Italian shipyard Cerri Cantieri Navali to European specifications, and it embodies all the successful features and solutions of the "Flyingsport" concept, combining the sportiness and speed of large open yachts, the comfort of the flybridge and the flawless elegance, and onboard functionality.

The luxury and expensive interior was designed and built following the wishes of Rodriguez Group Interiors Style team, and the result is magnificent.

Entering in the salon we are welcomed by two opposite sofas for entertainment and relaxation, and thanks to the interior stairs to access the flybridge the breeze come inside and refresh the interiors without need to use air conditioning. Also the positioning of the dining table is great under the natural light and between the side doors. The masterpiece continues with an opening roof top, two large glazed surfaces (of which one can be opened to access the flybridge) and accommodation for 8 guests in 4 ensuite staterooms.

Besides her extremely flexible and customisable flybridge, this yacht boasts two pleasant outdoor areas: at the bow is a day area with an enlarged sunbed and a huge round sofa that can comfortably seat up to 20 people, while at the stern on the main deck, the cockpit features a comfortable sunbathing area and a dinette with multi-function table.

Thanks to the hydrodynamic features of her hull, the twin 2,600 HP MTU engines, and the ZF Searex surface drives, the 102' Flyingsport can reach a cruising speed above 35 knots and peak speeds of 40 knots.

Key features:

- 35 knots cruising speed
- Fantastic exterior metallic grey
- Timeless interiors design
- Smart fly-bridge with drive console
- Seakeeper stabilizers
- Mint condition

Basic Information

Sub Category: Motor Yacht

Model Year: 2012

DETAILED INFORMATION

Main Characteristics

LOA: 31.10m (102' 1") Beam: 7.25m (23' 10") Min Draft: 1.80m (5' 11") Hull Material: GRP Tonnage: 153 Range: 450 Miles Int Designer: Rodriguez group Ext Designer: Cerri Cantieri Navali S.p.A Fuel Capacity: 10,000 l (2,642 g) Water Capacity: 2,000 l (528 g) Flag: Cayman Islands Year: 2012 (Refit 2014) Builder: Cerri Cantieri Navali Model: Cerri 102 Flying Sport Type: Motor Yacht Speed: Cruising 27 knots, Max 40 knots @ 2450 RPM Engines: 2x MTU 16VM94, 2636 hp Staterooms: 4 Sleeps: 9 Classifications: RINA

Construction

The hull and the deck are built in reinforced resin with fibreglass, the superstructure in vinylester resin compound and e aramidic fibre. The gelcoat used is Neopentyl. The resins of the skincoat are in vynilester, which is an excellent protection against the osmosis process owing to its chemical-physical features. The reinforcement fibres of glass and Kevlar are comprised of mat and multiaxial fabric. The deck is built in compound with high density expanded PVC core in order to improve its rigidity and to support an excellent thermo-acoustic insulation. The structural braces, such as stringers, frames and floors are built in expanded PVC coated with multiaxial fibreglass and resin. The watertight structural bulkheads are built in fibreglass and composite plywood, the compartment bulkheads are built in composite plywood. The compound hull undergoes an ultrasound test carried out by a specialist company which certifies the thickness and features of the laminated section.

Machinery

Engines: 2x MTU 16VM94 2636hp @ 2450 Rpm Engine hours: Port/ Starboard 650 (08 Feb 2018) Gearbox: ZF 3070 Transmission: ZF Searex 160 S Propellers: 5 Blade Surface Drive Stabilisers: 3x Seakeeper M8000 Gyro Stabilisers Generators: 2x Onan 380V 50 Hz three phase in soundproof boxes Generator hours: Port / Starboard 1750 (08 Feb 2018) Water Maker: Idromar Blackwater treatment: Hamman Air Conditioning: Climma centralised twin unit, reverse cycle, 15 fan coils Thrusters: Bow and Stern thrusters both hydraulic

Capacities

Fuel: 10,000 lt Fresh water: 2,000 lt Hot Water: 200 lt

Firefighting

• CATEF Alarm system with push button alarms • Fixed CO2 automatic system in Engine room • Fixed manually operated Water Fog system in Galley • Fixed manually operated Water sprinkler system in Garage • Smoke detectors in all areas • Emergency Portable Fire Pump in Bow Locker • Central Fire Pump system providing 2 hose and monitors 1 on Bow and 1 on Aft deck • 4x 9 lt Foam extinguishers • 2x 6 kg Powder extinguishers • 7x 1 kg Powder extinguishers • Fire Blanket

Wheelhouse

• 2x MTU colour touch screen monitors • 2x MTU electric micro-controls • 2x Transmission trim indicators (Searex) • Rudder angle indicator • Raymarine autopilot control unit • 19" monitor with GPS and colour charts, 48-miles radar, echo-sounder and AIS • 19" monitor for board controls (EGC) • 19" monitor for CCTV • VHF marine Raymarine receiver with interface DTMF • 2x TRIM joystick for Searex • 2x TRIM joystick for Trim Tabs • Steering joystick • Bow thruster joystick • Stern thruster joystick • Inter-communication system with the engine room • Buttons, lights, alarms and engine starting keys • Boat synoptic with way light level alarms • KVH V3 Vsat system for satellite data • Seatel satellite control for television signal • Cisco 24 port Ethernet • Crestron AV2 Processor • MacMini SSD server and reader • Globesurfer 3G router

Upper Helm Position

• 2x MTU colour touch screen monitors • 2x MTU electric micro-controls • 2x Transmission trim indicators • Rudder angle indicator • Magnetic compass for high speed • Raymarine autopilot control unit • Raymarine E-series multifunction display with GPS and colour charts, 48-miles radar, echo-sounder and AIS • VHF marine Raymarine receiver • 2x trim joystick - 1 steering joystick • Bow thruster joystick • Stern thruster joystick • Buttons, lights, alarms and engine starting keys

Cockpit

• Semi-circular sofa • Extendable and raiseable Table with manual hydraulic movement • Side peak with Ice Maker, Fridge, Nespresso Coffee machine and sink • Watertight lights with dimming system controlled by Saloon iPad • 2x speakers controlled by the system positioned in the upper saloon or iPad • Stairs to bathing platform and Whale Twistgrip deckshower • Complete set of protective covers

Bow Cockpit

- 2x semi-circular sofas • Central sundeck • Table with tops that can be opened and extended • 2x speakers controlled by the system positioned in the upper saloon or IPad • Demountable sun canopy

Salon

- 2x sofas one in front of the other covered in fabric • Central smoking-table • 50" motorized LCD HD and 3D TV • HI-FI system with DVD reader, Home Theatre 'Bose' with controls for external areas • MacMini SSD player • Sky HD+ Box • iPad to control all entertainment in saloon as well as light dimming, sound distribution to aft deck, saloon, bow and fly bridge • Dinette table with 6 chairs in leather • Dinette area settee • Wine fridge • Full set of upholstery protective covers including dining table • Dining and saloon lights on IPad controlled dimming system • 3 x Table lamps • Fitted curtains throughout • Side cupboards
