Remarks

“All IN” is a spectacular example of vessel that is extremely well kept and worthy of the term “No expense spared”. The Tiara 3600 open is designed to satisfy both anglers and cruisers with a huge 70 square foot cockpit and a very comfortable interior. All maintenance records available and receipts upon request. All IN has been cared for better than most and upgraded constantly to keep her as current as most new boats today. She is powered by her very maneuverable Volvo D4 300’s with pod joystick drives. Extremely easy to handle and very enjoyable for a couple to handle on their own. The owner of this boat has spared no expense in maintaining and updating this vessel. She is easy to show and turn-key ready! This boat will not last long call to

schedule an appointment to preview her anytime.

Exclusions

Owner's personal belongings.

Disclaimer

The Company offers the details of this vessel or yacht in good faith but cannot guarantee or warrant the accuracy of this information nor warrant the condition of the vessel. A buyer should instruct his representatives, agents, or his surveyors, to investigate such details as the buyer desires validated.
