DETAILED INFORMATION

Manufacturer Provided Description

When Donzi designed the 35 ZR, its mission was clear: Offer the same speed, dynamic handling, precision balance, and exceptional rough-water ride as its World Champion ZR race boat. Employ a user-friendly layout, with emphasis on comfort, accessibility, usable space, and overall driver/passenger enjoyment. Utilize a true 35-foot platform that will offer greater comfort and better handling than smaller so-called “35-foot” competitive offerings.

Engine Notes

Max hp displayed as standard. Various Mercruiser power options available.
