SPECIFICATIONS

Overview

Powered by twin Volvo 600 IPS with 1440hrs, this well maintained vessel was kept in covered storage when not being used. She has up to date services performed on engines and propulsion units including new water pumps, batteries and door actuator as well as new IPS seals and clutches. The owner has service records of all maintenance performed on the vessel. The 380 gallon fuel capacity will give you the range along with a comfortable ride that comes from the well designed hull. Sea Vee's attractive lines will sure turn heads while fishing or just cruising the waterway.

- Full Detail November 2016 - Ready to go!
