DETAILED INFORMATION

Vessel Walkthrough

No Rules is a 2006/2015 84' Lazzara with a very extensive refit. The interior wood is cherry, there are dual helm stations, and five staterooms all with en suite heads, the master is one of three main staterooms below deck which is full beam. Just forward of the country kitchen is two additional VIP staterooms with en suite heads. There is a dedicated Captains quarters & crew bathroom in the aft of this vessel with direct access to the engine room. This yacht has bow and stern thrusters along with ABT-Trac stabilizers. The hull and super structure are painted in Awlgrip white.

No Rules is an open bridge yacht with a hardtop and full walk around side decks. The walk around side decks is a great feature to the 84' Lazzara over the 80MY Lazzara. The exterior styling is very euro and stylish with large hull side windows for the master and guest rooms. The swim platform is hydraulic for a tender. The dual teak stairwells from the swim platform bring you to a large teaked aft deck. This area offers great lounge seating and teak chairs along w/a bar and TV. Each side of the aft deck has rear docking controls. The sliding stainless doors enter you into a very spacious salon from the aft deck. The ceiling is accented by wood paneling as well as the high gloss cherry wood interior walls. The salon offers a new Samsung TV with all new AV components. Just forward of the salon is a dining table for six, and the entrance to the galley or country kitchen. The galley is very large in size and any family or chef will enjoy the space that is offered along with all the appliances. The lower helm is just off to the starboard side of this area along with the day head.

No Rules open teak flybridge is extremely large. The helm is all the way forward to allow for the most in entertaining space. The helm has all new electronics with Garmin screens. There is seating to the starboard side just in front of the hot tub and to the port just behind the bar. The flybridge bar is a walk behind with refrigerator and ice maker. The bridge holds two jets skies that are lowered with a davit.

No Rules had close to a million dollar refit and is ready for immediate delivery. To view a slide show of this listing put in your browser <http://> then copy:

Highlights

- Five Stateroom & 5 Head layout w/Day Head & Two Crew quarters staterooms
