### Accommodations & Layout

---

The Sea Ray 320 Sundancer has been one of Sea Ray's most popular models and for good reason. The 320 has a sleek and timeless profile, abundant cockpit seating and exterior sunning areas, a comfortable and spacious cabin and is a great running boat especially with the optional 300hp inboards!

"Point Break" is a great example of the 320 and provides a well balanced boat with good looks and plenty of creature comforts both inside and out. Boarding the boat is easy via the extended swim platform with built in swim ladder. The transom has a storage compartment that houses the electrical and water hookups as well as providing an area for lines and fender storage. There is a transom door that leads to the cockpit and helm which can be completely opened up for fun in the sun but does have full canvas and isinglass curtains for inclement weather or year round boating. In the cockpit there is a refrigerator and wetbar, grill, and a large u-shaped lounge with table.

Forward there is a companion lounge to port and a full featured helm to starboard with a double bench seat with bolsters. Forward on the bow is a sunpad for laying out and relaxing.

Moving below the cabin is spacious and open with rich cherry cabinetry, corian countertops, and neutral softwoods. Natural light is provided with side ports and overhead hatches. The master berth is forward and is a tapered queen centerline. The galley is to port with a dinette opposite and the mid cabin can be used as a lounge for additional salon seating space or easily converted to a second private sleeping area.

The cabin is in excellent condition and there is an upgraded LCD TV in the salon as well as TV's for the master and guest berth areas. An amazing amount of room and comfort in a mid 30 foot express cruiser!
