## Overview

---

"Le Mobe 2.0" is a highly optioned and well equipped Sea Ray 420/44 Sedan Bridge. She has the desirable and easy to maintain white hull color and the preferred black trim and canvas.

Equipped with a bow thruster, full Raymarine package including touch screen G-Series, engine room, cockpit and backup cameras, reliable Cummins engines and more! Her two stateroom, two head (both with stall showers!) arrangement is impressive especially when considering the size and seating capabilities in the salon. The salon flows into the cockpit with a sliding door and the bridge overhang plus full enclosure make the cockpit comfortable year round. Molded steps lead to the flybridge which provides commanding views when underway and a great area to entertain with a wraparound lounge and dual helm seats. A great boat for family cruising, entertaining and more!

"Le Mobe 2.0" is conveniently located in Baltimore's Inner Harbor and just minutes from I-95 and only 20-25 from Baltimore Washington International Airport (BWI). Please call today to set up an appointment to see her as she is a pleasure to show!

## Basic Information

---
