SPECIFICATIONS

Overview

"April Fool" is a vessel that has been well-maintained by her meticulous owner. She is the last of the twelve 36' Motoryacht models built by Grand Banks (Hull #1120). This layout gives you a much better aft deck than the classic and two Queen-style staterooms. She is in top shape with low hours, updated electronics, recent bright-work and new custom Bimini top's for the flybrige and Aft deck, connected and fully enclosed in Eisenglass.

Ready to cruise immediately!

Fuel Type: Diesel

DETAILED INFORMATION

Vessel Walkthrough

Vessel Walkthrough

"April Fool" is the Motoryacht model of the Grand Banks 36. The major difference with the Motoryacht is that the aft master stateroom has full headroom across the full beam of the boat. Instead of the walk around deck style of the trunk cabin GB, the Motoryacht has a full beam aft deck, often called a sundeck style, a few steps up from the side decks. This makes the master stateroom feel much larger and gives more versatility to the aft deck.

Salon

The Salon features a large L-shaped settee on the starboard side aft with storage below, covered in green ultra suede and a Grand Banks Hi-Lo teak table for dining. Window screens are installed on all opening windows in the Salon. Forward of the settee is the steering station which is totally outfitted with full controls and gauges for both engines. The electrical panel with 12V and 110V circuit breakers for all equipment on board is also located in this area.

- 2014 42" JVC flatscreen TV
- New settee upholstery, 2014
- New curtains, 2014
- Salon floor was sanded and re-finished, 2014

Galley

The Galley is located on the port side forward in the Salon and features a Princess 3-burner LPG stove and oven, Coolmatic refrigeration/freezer, microwave oven and ice maker. There are numerous drawers and cabinets for storage and trash bin. Plate storage is located forward of the Galley in lockers with lift-up lids.

Master Stateroom

The Master Stateroom is aft and very private featuring a centerline walk-around berth with large hanging locker space and many drawers and cabinets for addition storage. There are opening ports located both port and starboard for ventilation. The Master Head is split with the head on the port side and the seperate stall shower on the starboard side. The Head features a Vacuflush freshwater toilet, Corian countertop and sink and lots of storage space.

- Sharp flatscreen TV
- New linens and spreads, 2014

- New curtains, 2014

Guest Stateroom - Forward

The Guest Stateroom is located forward and provides excellent privacy featuring a custom made Island berth with easy access on both sides of the berth making it very comfortable for guests. The stateroom features opening ports both port and starboard, an overhead hatch for additional ventilation, large hanging locker space and lots of drawers and lockers for additional storage. The Guest Head and stall shower are split with the head on the starboard side and the stall shower on the port side. The Head features a Corian countertop and sink with lots of storage. This split head arrangement is fantastic as one person can be in one room and another in the other.

- New linens and spreads, 2014
- New curtains, 2014

Flybridge

The Flybridge features back to back seating both port and starboard forward with storage below. The steering station is located on the starboard side forward and features complete engine instrumentation and controls. There is a custom Bimini top and flybridge cover. There is a Frigibar refrigerator/freezer bench seat for extra cold storage and 2006 life raft.

- New Bimini top and 4 sided Eisenglass enclosure, 2016

Deck

Step down from the flybridge on to the large aft deck that features a new Bimini top with full enclosure giving you a weather free room, two deck storage boxes and a very large area for tables, chairs and entertaining. The full-width side decks going forward lead you up to the bow which has a double anchor roller platform, windlass controls and shore power connection. 35 CQR Plow anchor w/ 150 chain

- March 2016: new custom Bimini top's for the flybridge and Aft deck, connected and fully enclosed in Eisenglass
- Fortress FX23 anchor with chain and nylon rode
- 3 piece windshield cover
- Lofrans windlass
- Remote searchlight
- Fenders
- New sun/privacy covers for windows, 2014
- Coast Guard Safety Package
- New Flybridge cushions, 2009

Engine / Mechanical

The popular 210hp Cummins in-line six cylinder diesels are located in an easy to access engine room with lots of room to move around and service the equipment in the area.

- Morse controls
- Glendenning synchronizer
- Bennett trim tabs
- Fuel tank tender
- Engines, transmissions and generator oil and fuel filters changed - February, 2015

Electronics

- Autohelm ST6000 autopilot w/ remote
- SEA 235 SSB radio w/ tuner
- Autohelm Tri Data w/ repeater
- Northstar 952X GPS Plotter
- Raymarine E80 series GPS Plotter, new 2006 (in lower helm)
- New TV antenna
- Raytheon R10XX radar
- Raytheon 210VHF radio
- Raymarine E80, new 2008 (upper helm)
- KVH Satellite system
- Panasonic display w/ engine room camera (lower helm)

Electrical

- Westerbeke 7.6kw generator w/ 770 hours
- 2016 (4) AMG 8D Batteries
- Battery condition indicator
- 50 amp 3-stage battery charger
- 50' 50 amp shore cord
- New Intelli-Power marine battery changing system model # PD 2150
- Heart Interface L1000 inverter

Recent Updates

- September 2016: all exterior bright-work sanded to bare wood and re-varnished
- March 2016: New Bimini top with full enclosure on flybridge and connecting Aft Deck Bimini with full enclosure
- July, 2015: full bottom job with Trinidad paint and Interlux 33 on running gear

Exclusions

- Tender w/ Honda outboard

Exclusions

Owner's personal belongings.
