DETAILED INFORMATION

Vessel Information

When viewing LADY COPE (a 2006 Lazzara 80 Sky Lounge) you immediately notice her gleaming white exterior, evidence of the AWLGRIP "Cloud White" paint job (Oct 2012). At night she is equally as stunning with both above deck and underwater lighting emanating from beneath the extended hydraulic swim platform. As one of the only Lazzara 80's to come with a hydraulic swim platform, LADY COPE is capable of carrying two Sea-Doo Spark personal watercraft plus a large tender on the platform, leaving the entire upper flybridge area for seating and entertaining. And with a pair of CAT C-30 (1,550hp each) her performance is as equally impressive as her looks.
