SPECIFICATIONS

Overview

Ace went through an extensive "hull up" restoration at American Custom Yachts in 2004, with many more custom updates added in the last two years. You will not find another 31' on the market that has been professionally restored to this level and with the constant care this vessel has received. Ace is truly a classic in Bristol condition! She deserves an owner who wants a sport fishing machine that takes a second seat to nothing in her class.
