SPECIFICATIONS

Overview

"Little Toot" is a lot of boat in a small package. Designed to provide maximum comfort and versatility in an easy-to-operate trailerable mini-yacht The R-25SC offers a full 8.5 foot beam for roomy on-deck areas and large interior spaces. Private compartments allow sleeping accommodations for five. There's an enclosed head with shower, sink and a marine toilet, a helm with full instrumentation. The galley includes a sink, stove and refrigeration. Large cabin windows and overhead skylight hatches help brighten the interior and offer a panoramic view all around.

"Little Toot" is all but new. With only 90 hours on the 150 HP Volvo Diesel and low hours on the generator she looks and smells new. The dingy is included with a 4 HP Yamaha outboard with one hour on it. Owner looking to move up to a larger boat.

Basic Information
