Overview

Recent services in December 2017 include new bottom job, prop reconditioning and prop speed. Easy to show in Fort Lauderdale.

With her beautiful haze gray hull and sexy Hatteras GT lines, Smooth Move gets your attention ripping offshore or tied to the dock. She has the 4 stateroom layout with an abundance of interior décor upgrades, top speed of over 40 knots and is equipped with all the right options. Options include the Pipewelders custom tower, full teak cockpit that includes coaming and covering boards, cockpit engine controls, a custom teak salon door, twin 21.5 kw Onan generators, and the latest in electronics and AV systems. Smooth Move has been impeccably maintained and the full time crew keep her ready to impress upon inspection.
