SPECIFICATIONS

Overview

Sudden Inspiration has a unique floor plan that differs from most raised pilothouse layouts. The galley is located in the pilothouse instead of the salon. The master stateroom has private access from the salon; most layouts the master is accessed from the forward companionway! There is no pilothouse bulkhead giving the helmsman a good view aft.

The 5600 Sundance is a three stateroom and two head boat. The current owner has maintained the yacht very well. It has also been moored in fresh water for the past 13 year!
