SPECIFICATIONS

Overview

This 2015 Sunseeker 65 Manhattan is essentially brand new. The owner had a major change of plans and the vessel needs a new home now. His loss is your gain. SPECULARIS looks like it was just delivered for the first time. The boat is currently being well maintained with an open check book policy and still has full factory warranties.

She is powered by 1000 hp MAN V8's, has Sidepower Fin Stabilization and Bow & Stern Thrusters. The treated teak upstairs and down makes this yacht a real jewel. A Must See!
