Engine Type: Inboard

Fuel Type: Diesel

DETAILED INFORMATION

Vessel walkthrough

The 63' Raised Pilothouse is a Euro style with a contemporary exterior with frameless window construction, aft raking windshield, large aft bridge deck and fully integrated swim platform. The raised bow deck is also a large sun pad which is easily accessible by walk around side decks.

The interior is Makore and reflects a contemporary styling as well. The air conditioning is vented through linear slots in the fluted wood cornice moldings, creating a comfortable airflow through the entire length of the salon and galley. There is an abundance of recessed adjustable lighting incorporated into the beautifully designed custom headliner and low-level strip lighting. The salon is accessed through the stainless steel, three panel door from the aft deck. The salon features a U-shaped sofa, cocktail custom table and entertainment center. The fully equipped galley is just forward of the salon complete with Sub-Zero refrigerator/freezer and antico flooring.

Forward of the salon and galley is the pilothouse with a L-shaped lounge, table and access to the flybridge. Below deck, double entry doors lead into the master stateroom and private head. Forward of the master is the VIP with queen centerline berth and an adjoining head to port. Just aft of the VIP is the guest stateroom with an upper and lower berth and head across to port. The washer/dryer is located in the companionway leading from the pilothouse to the staterooms. The engine room is accessed through a hatch in the aft deck floor. Walk around decks lead to the foredeck and steps from the aft deck lead down to the swim platform

Main Salon

- U-shaped sofa w/storage Custom cocktail table
- Ample overhead lighting
- Entertainment center w/42" plasma flatscreen TV w/satellite
- Bar w/ icemaker & bottle storage
- Smx digital AC control
