DETAILED INFORMATION

Overview

CHATEAU MARGAUX is a very special Hatteras cockpit motor yacht that began life as a 65', then Hatteras added the 9' cockpit extension at the factory. She is now 74 feet with a large aft deck and a much larger master stateroom.

When she was built, she was the most highly customized Hatteras to leave the factory. Some of these custom features include VIP queen forward, VIP Queen amidships and crew stateroom to port - all with en suite heads. Other notable features are walk-around side decks, on deck head, custom galley, two Marquipt custom Stainless Steel elevators (lifts) to the bridge and master stateroom. Her interior features custom walnut wood.

With along life in fresh water solely only family usage, she is a gem. The 2 custom elevators will make it easy for one's loved ones who might have a challenge with mobility to always be a part of the crowd.

The current owners have spent over 300k in the past 15 months to upgrade her to her former elegance with a modern twist. This was to be their home for the an indefinite period of time, but alas, life can throw one a crooked punch and the seller's plans have changed. Their loss will be your gain if you are looking for a glorious, elegant, stabilized, ready-to-go Hatteras Motor Yacht that has more fuel than her sister ships. Truly a home away from home.

Walk Through

Chateau Margaux was originally built as a 65' motor yacht and was extended by Hatteras to 74 feet. The 9 foot extension yields treasured extra space to the aft deck and master stateroom. She was, at the time, the most highly customized Hatteras to leave the N.C. factory. Some of these extra features include a VIP queen forward, a VIP queen amidships and crew stateroom to port. All 4 staterooms have ensuite baths and separate CruiseAir AC units with SMX II digital controls. There are 5 VacuFlush heads throughout the yacht. Other notable features include walk around side decks, custom galley up, main floor day head, 2 Marquipt Stainless Steel elevators (lifts) to the bridge and master stateroom. The addition of these lifts at the time of building ensured total accessibility to the yacht for someone with a possible challenge like skier's knees. The custom walnut wood work brings elegance and warmth that complement the new high tech wall finishes.

From 2015-2016 **Chateau Margaux** was renovated from head to toe, bringing her back to her original beauty and updating her to meet today's style of living. Her

documented upgrades, repairs & replacements total nearly \$300,000. The elevators alone cost \$100k. The updates include many features, some of which are: all new hardwood floors, high gloss burl walnut and maple walls and drawer fronts, new Majilite headliner ceilings, ample ceiling LED spot lighting in galley, salon, aft deck, master stateroom and VIP center stateroom, crystal chandelier in master stateroom, new KVH TV5 satellite TV with 4 remote-controlled receivers, 4 flat screen TV's (2 are SmartTV's), high tech wall coverings forward, new Seagull IV X-1 water filtration system, Kenyon 4 burner electric glass cooktop, built in Touchstone hydraulic lift for 60" Samsung salon TV, new GE Profile side by side gunmetal gray refrigerator, new GE Profile gunmetal gray dishwasher, new GE Profile gunmetal gray convection/microwave oven, 5 year transferable appliance warranties, new Tempurpedic king mattress, Thomasville custom sofa, 2 American Leather zero gravity recliners, American Leather ottoman, 2 salon side tables with Ralph Lauren white ceramic lamps, a custom salon table suitable for dining, crystal lamps by Ralph Lauren in master stateroom, specified wall art, bed coverings and rugs. This beautiful yacht is sparkling and ready for its new owners to move on board and head for the islands.

Additional Information

Chateau Margaux, a 1992 74 foot Hatteras **FLUSH DECK** motor yacht is a fully furnished, unique custom build. She was updated in **2015 & 2016** to restore her to her original glory as well as to bring her up to top quality modern standards and finishes. Custom high gloss walnut woodwork and new hardwood floors have been applied throughout the vessel and give her an elegant, mega yacht ambiance. The open concept salon and galley-up with granite counter tops, new steel appliances and a marble counter top day head adjacent to the salon add richness and convenience to the yacht. Salon windows provide a 360 degree view and a new 60" HD SmartTV is hidden inside a custom walnut cabinet with a motorized, remote-controlled lift. 4 satellite KVH receivers are located in the salon and 3 staterooms. Spaciousness abounds with a large aft deck, walk around side decks and an extra-large master suite. The head room aboard **CHATEAU MARGUAX** IS 6' 7". Two Marquipt elevators with remote controls allow easy access from master stateroom to salon and from helm station to flying bridge. Exterior is newly painted, all cushions are newly upholstered and the custom UMT Marine 1000 lb. davit is brand new and easily lifts its 12' 2015 AB hard bottom inflatable.

CHATEAU MARGAUX is so exceptional as she is totally accessible for anyone. She has 2 Marquipt designed and custom built elevators for the original owner. This allows one to access the lower master stateroom as well as the fly bridge from the main deck.

Remarks

CHATEAU MARGAUX is truly exceptional. The current owners as well as the 2 before have all lavished care and love upon her, and it shows. She is ready to leave to become your next home on the water or to cruise any where in the world.
