SPECIFICATIONS

Overview

SATURN accommodates up to 6 guests and 2 crew. She is fully equipped with the best equipment and in a condition is exceptional. In Summer 2016, she successfully completed the voyage from Moscow, Russia to Bar, Montenegro, covering about 3,000 nm and showed her excellent technical capabilities.

Her space inside and outside make you feel in a boat greater in length but she remains very easy to handle. SATURN has impressive seaworthiness in all conditions, without losing comfort and security.
