DETAILED INFORMATION

Overview

This is a complete hull-up rebuild and not like any other Rybo Runner that has ever been on the market. All **new** wiring, plumbing, thru-hulls, tanks, lights, pumps, paint, top and more. May 2014 completion. A unique opportunity.

The only used equipment remaining on this boat was the sounder, GPS, engines (controls, cable, harnesses, & tachometer were new), bracket and hull. The rebuild was done with a high quality standard and this boat is now a show-stopper that turns heads at every dock. The Rybo Runner was one of the first stepped bottom hull designs and performs well with this 4-stroke outboard power package.
