## Overview

---

**Take advantage of 5 years warranty protection on Yamaha outboards now through March 31, 2017!** The 23 Regulator has you covered for whether you are ready for an offshore run or spending a casual day closer to shore with its unbelievable stability and comfort. Big game fishing isn't a problem with a 23-gallon livewell, 120-quart transom fishbox and a 350-quart in-deck fishbox along with a convenient rigging station and plenty of storage.

This boat also features abundant seating, built-in coolers and an optional head, all ideal for entertaining and discovering the best of life on the water.

**ONE SOLID HULL** The power of one solid hull is ultimately felt offshore. When nothing is moving beneath your feet, you know you are on a boat built to handle the high seas.

**ONE SOLID STRINGER** Regulator's signature stringer is one solid piece of fiberglass, handcrafted without an ounce of wood, then bonded to the hull. This creates the strength and rigidity you need to take on any offshore condition with ease.

**LOW CENTER OF GRAVITY** The weight and depth of our hull and stringer guarantee a lower center of gravity. And a lower center of gravity gives you better performance in every ride. Add a seamless walkaround deck, perfectly-fitted console, and clean surfaces throughout for the fit & finish that only Regulator can deliver.
