SPECIFICATIONS

Overview

The 28 Regulator is super fast, fishes hard and there is still plenty of room to entertain on the water. With a flush deck throughout the cockpit and plenty of storage, including a 124 qt. transom fishbox, 456 quarts of in-deck fishbox space or rod storage, and two forward-seat 140-quart storage compartments, there is plenty of room for fishing adventure. Cushioned bow seating delights sunbathers and the loaded console features tempered glass windshield and optional T-Top to shield from the sun as you head offshore.

This boat also has as standard (4) stainless steel rod holders, a 33 gallon freshwater system with washdown and transom shower, a stand-up head compartment just to name a few and with its optional equipment, is a must boat to have.

ONE SOLID HULL The power of one solid hull is ultimately felt offshore. When nothing is moving beneath your feet, you know you are on a boat built to handle the high seas.

ONE SOLID STRINGER Regulator's signature stringer is one solid piece of fiberglass, handcrafted without an ounce of wood, then bonded to the hull. This creates the strength and rigidity you need to take on any offshore condition with ease.

LOW CENTER OF GRAVITY The weight and depth of our hull and stringer guarantee a lower center of gravity. And a lower center of gravity gives you better performance in every ride. Add a seamless walkaround deck, perfectly-fitted console, and clean surfaces throughout for the fit & finish that only Regulator can deliver.

Basic Information

Category: Center Console

Model Year: 2017

Year Built: 2017

Country: United States

Dimensions

LOA: 28' 0" (8.53m)

Beam: 9' 5" (2.87m)

Max Draft: 2' 7" (0.79m)

Speed, Capacities and Weight
