Overview

The 2006 74' Viking 74 Convertible may be the perfect yacht FOR YOU! "Mi-C-Shell" is a shining example of a large Viking that was ordered with the right options and equipment, sports an elegant and striking décor, and is maintained to the highest quality levels by the full time captain and mate. The owner of this yacht has had many Vikings and always makes the financial commitment so that his Viking is a traveling "show boat".

This is a flybridge 74' with a custom hardtop and enclosure from Palm Beach Towers (no tower). The bridge has a radar mast (from Viking) and large outriggers. With the three Murray Brothers helm chairs and all of the bench seating, twelve people can be comfortable on the bridge. And, you can cruise and/or fish for long periods with the 3,000 gallons of fuel and the efficient 2028MHP Series 2000 M91 V-16 diesels. The cockpit features a Murray fighting chair, mezzanine, teak sole, (2) live wells (one transom mounted & lighted), grill, misters, and Eskimo ice maker. The salon is open and massive with a custom oversized dinette and table, 50" pop-up TV, etched glass in dinette area, granite galley and galley island surfaces and two bar stools with footrests. The magnificent master stateroom is $\frac{3}{4}$ beam with king bed and all the great Viking amenities. The forward guest stateroom has a queen centerline bed and the port guest stateroom has large upper/lower berths. All three of these staterooms have their own en-suite heads. All staterooms are accessed from the starboard companionway that has two large storage closets and a custom triple sectioned etched glass treatment by Chris Channel. The crew stateroom also has its own head, upper/lower bunks and a direct access door to the immaculate engine room. If you insist on a high quality yacht; striking layout and décor; and the highest standards of cosmetic and mechanical maintenance, "Mi-C-Shell" could be YOUR sea shell. This is a MUST SEE 74' Viking Convertible!

Mi-C-Shell had a Full Paint Job in November 2012, as well as NEW AV Package and Electronics Package... 3,000 hour Service Complete 10/2013.

DETAILED INFORMATION

Overview

You MAY HAVE FOUND the perfect yacht FOR YOU! “Mi-C-Shell” is a shining example of a large Viking that was ordered with the right options and equipment, sports an elegant and striking décor, and is maintained to the highest quality levels by the full time captain and mate. The owner of this yacht has had many Vikings and always makes the financial commitment so that his Viking is a traveling “show boat”. This is a flybridge 74’ with a custom hardtop and enclosure from Palm BeachTowers (no tower). The bridge has a radar mast (from Viking) and large outriggers. With the three Murray Brothers helm chairs and all of the bench seating, twelve people can be comfortable on the bridge. And, you can cruise and/or fish for long periods with the 3,000 gallons of fuel and the efficient 2028MHP Series 2000 M91 V-16 diesels.

The cockpit features a Murray fighting chair, mezzanine, teak sole, (2) live wells (one transom mounted & lighted), grill, misters, and Eskimo ice maker. The salon is open and massive with a custom oversized dinette and table, **55” pop-up NEW Samsung TV**, etched glass in dinette area, granite galley and galley island surfaces and two bar stools with footrests. The magnificent master stateroom is $\frac{3}{4}$ beam with king bed and all the great Viking amenities. The forward guest stateroom has a queen centerline bed and the port guest stateroom has large upper/lower berths. All three of these staterooms have their own en-suite heads. All staterooms are accessed from the starboard companionway that has two large storage closets and a custom triple sectioned etched glass treatment by Chris Channel. The crew stateroom also has its own head, upper/lower bunks and a direct access door to the immaculate engine room. If you insist on a high quality yacht; striking layout and décor; and the highest standards of cosmetic and mechanical maintenance, “Mi-C-Shell” could be YOUR sea shell. This is a MUST SEE 74’ Viking Convertible!
